1. Start

2. Prepare

3. Update

4. Finish

Important information

For a successful update, please follow these recommendations:

- Use the original USB cable that came with your device.
- Connect your device directly to the computer without USB hubs in between.
- Don't disconnect your device during the update process.
- Don't connect or disconnect any other USB device during the update process.
- Don't transfer files between the computer and other USB devices during the update process.
- Don't use or move your device during the update process.
- Close any program on your computer that you're not currently using.

If you need to do something of the above before starting the update, press Cancel and then do it. When you are finished, restart the update process.

I have read and understood the information above. Tick the box and press Continue.
