**Redemption Quest: Book 2 of "Hell's Blade" Series** R.L. Pool,2022-11-15 Patricia Langstrom Doctoral Fellow from Monmouth University studying to be a forensic Anthropologist and Archeologist was barely five foot tall Her long red hair was in a ponytail and her small frame was fit after years of running exercising and making ready to embark on a career of archeological anthropological digs in far away exotic locations When her fianc e died in Afghanistan at the hands of the Taliban and she finally reined in the emotions of her loss she found the subject for her final dissertation Somewhere in the Buriram Province a 300 meter long Reclining Buddha sat waiting to be found The last text she d gotten from Neal said he was looking at something there that she would really be interested in He also began to tell her something else when the text abruptly ended She finally had everything in hand and the team was formed Just after they arrived at the site and she found an anomaly inside one of the ancient cloisters used by the monks centuries ago Taliban attacked and killed everyone but her After finding her way into the darkness and being essentially buried alive she found what many had been looking for Dead tired from running hiding and with the adrenaline of the moment finally draining from her small body she laid down to sleep before beginning her investigation of the site as well as seeing if there was some way to extricate herself from the darkness of the massive chamber She woke outside close to a road that had been destroyed in an avalanche At the other end of the road was an ancient citadel Skeletons lay everywhere the main citadel all but destroyed and the defenders left to rot She found a book that told most of the story but her mind wanted more All she wanted was to return to the cavern make her investigation and find her way home but this possible medieval structure set as far as she knew in Afghanistan piqued her curiosity She wasn t aware that she had been whisked to another world and another time Once she was made aware of the facts she was offered a choice Return home make her dissertation and live without knowing why the citadel was in ruins Or stay in this world travel back in time find the clues to what happened here centuries before and find a way to stop it She made her choice

Langstrom in her return to Atrial she never dreamed she d have a chance to find answers to questions that had fascinated her from an early age Illani was tiny She d been living in the darkness of the Lost Citadel Pat and Myra had found years ago in the southern mountains Alone the little white haired girl had survived How That s the subject Holly was determined to find out as well as chase the little girl s history back to the land her people came from An excursion to the west and the continent of Alanis would be required to find the answers Holly needed And the discovery of tablets cuneiform in clay only whetted her appetite for discovery Illani was the sweetest most forgiving and precious little girl Holly had ever met And her song Her song could heal a broken heart calm a savage beast and turn men who walked the dark edges of evil back to the light It was time to bring her history to the light of the world and let her share her song

Including the Present Towns of Washington, Southbury, Bethlem, Roxbury, and a Part of Oxford and Middlebury** William Cothren,1872 Annual Reports of the Secretary of War United States. War Department,1910 Mysteries of Alanis: Book 4 of "Hell's Blade" Series R.L. Pool,2025-01-31 When Holly Kelley joined Pat Langstrom in her return to Estelan she never dreamed she would find answers to conspiracy theories that spurred her imagination from a very early age She and Greg Graisson traveled to the Lost Citadel in search of those answers and found themselves bruised wounded and close to death They also found Illani The little white haired girl led them into secret catacombs within the Lost Citadel and to the library that told of a civilization that came here from another world The research they did there prompted a desire to sail to a land where Mandarin was the language spoken and the people seemed to be living under ancient Chinese feudalism How did that happen To find the answers Holly Greg and Illani would have to sail west to the continent of Alanis Only there would they finally find the answers to Illani s heritage They would find more than they bargained for They would find what many in our world have searched for dreamed of and sought for ages

**The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case** Jack Justin Turner,2014-12-11 The Sheriff of Hell s Murder Case is the final novel in Dr Jack Justin Turner s highly acclaimed Cumberland Mountain Trilogy With a mangled arm and with his long barreled Luger close at hand Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home Jake as he is known by both friend and foe has been described as a combination of Hamlet and Dirty Harry but in this last volume Jake exhibits a quite different and endearing personality when he makes two of the most important decisions of his life Part murder mystery and part magnificent love story The Sheriff of Hell s Murder Case again demonstrates Dr Turner s powerful and insightful explanation of character and locale in a page turner that is perhaps unparalleled in modern Appalachian fiction Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers As one reviewer put it Jack Justin Turner s voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters Seldom does a book transport a reader so surely to another place and time
