Wells-Barnett, 2018-05-02 e epidemic of lynching that gripped the American South in the decades after the Civil War and the end of slavery has been glossed over and understated in many history books Activist Ida B Wells took it upon herself to document this shameful practice and its prevalence throughout the region and to a lesser extent the entire country in a series of seminal volumes including *Southern Horrors* We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

**Southern Horrors: Lynch Law in All Its Phases** Ida B. Wells-Barnett, 2018-02-03 In 1892 Wells published a pamphlet titled *Southern Horrors Lynch Law in All Its Phases* Having examined many accounts of lynching due to the alleged rape of white women she concluded that Southerners cried rape as an excuse to hide their real reasons for lynchings black economic progress which

threatened white Southerners with competition and white ideas of enforcing black second class status in the society Black economic progress was a contemporary issue in the South and in many states whites worked to suppress black progress In this period at the turn of the century Southern states starting with Mississippi in 1890 passed laws and or new constitutions to disenfranchise most black people and many poor white people through use of poll taxes literacy tests and other devices Source Wikipedia **Southern Horrors** ,1892 Southern Horrors Ida B Wells-Barnett,2020-08-13 The greater part of what is contained in these pages was published in the New York Age June 25 1892 in explanation of the editorial which the Memphis whites considered sufficiently infamous to justify the destruction of my paper the Free Speech Since the appearance of that statement requests have come from all parts of the country that Exiled the name under which it then appeared be issued in pamphlet form Some donations were made but not enough for that purpose The noble effort of the ladies of New York and Brooklyn Oct 5 have enabled me to comply with this request and give the world a true unvarnished account of the causes of lynch law in the South This statement is not a shield for the despoiler of virtue nor altogether a defense for the poor blind Afro American Sampsons who suffer themselves to be betrayed by white Delilahs It is a contribution to truth an array of facts the perusal of which it is hoped will stimulate this great American Republic to demand that justice be done though the heavens fall It is with no pleasure I have dipped my hands in the corruption here exposed

Morgan by name stole her father's money to send the young fellow away from that father's wrath Grizzard who had only been charged with rape upon a white woman had been taken from the jail with Governor Buchanan and the police and militia standing by dragged through the streets in broad daylight knives plunged into him at every step and with every fiendish cruelty a frenzied mob could devise he was at last swung out on the bridge with hands cut to pieces as he tried to climb up the stanchions All this while although the political cause has been removed the butcheries of black men at Barnwell S C Carrolton Miss Waycross Ga and Memphis Tenn have gone on also the flaying alive of a man in Kentucky the burning of one in Arkansas the hanging of a fifteen year old girl in Louisiana a woman in Jackson Tenn and one in Hollendale Miss until the dark and bloody record of the South shows 728 Afro Americans lynched during the past eight years The Daily Commercial and Evening Scimitar of Memphis Tenn are owned by leading business men of that city and yet in spite of the fact that there had been no white woman in Memphis outraged by an Afro American and that Memphis possessed a thrifty law abiding property owning class of Afro Americans the Commercial of May 17 under the head of More Rapes More Lynchings gave utterance to the following
