This book is all about making healthy and delicious meals that are simple to make so you can spend less time in the kitchen and more time enjoying your meal. In the introduction of the book you will learn why cooking without hassle is so important. I also share my tips on essential kitchen tools and utensils that every home cook should have and provide a brief overview of basic cooking techniques so you have the confidence to tackle any recipe in this book. The chapters in this book are divided into various categories such as soups, starters, appetizers, pasta recipes, one pot meals, poultry, seafood, meat, vegetarian, side dishes, and desserts.
