

## SPANISH III GRAMMAR REVIEW GUIDE FOR FINAL EXAM

Here are the major grammar topics for the final exam. For some topics I have included herein a substantial amount of information; for others I give a brief description and refer you to the relevant pages in your text and/or to handout materials that you have received previously. Remember, this is just a guide. You will still need to review the appropriate sections of the text, your quizzes, the workbook, and the on-line exercises, too.

### PRESENT INDICATIVE TENSE

Even though we've focused on learning various new tenses and moods this year, you can't forget about the plain, old present indicative. As you know, it's used to talk about actions and events that occur generally or are occurring now (and, in some cases, that will occur in the future). Here are the present indicative endings for REGULAR verbs:

| <u>Subject</u>          | <u>Endings for<br/>-AR verbs</u> | <u>Endings for<br/>-ER verbs</u> | <u>Endings for<br/>-IR verbs</u> |
|-------------------------|----------------------------------|----------------------------------|----------------------------------|
| yo                      | -o                               | -o                               | -o                               |
| tú                      | -as                              | -es                              | -es                              |
| él / ella / usted       | -a                               | -e                               | -e                               |
| nosotros                | -amos                            | -emos                            | -imos                            |
| ellos / ellas / ustedes | -an                              | -en                              | -en                              |

Remember, many verbs have irregularities in the present tense, especially in the yo form. You should know the main "yo-go" verbs (verbs whose present indicative yo forms end in -go), common verbs whose yo forms end in -y (*dar, ir, estar, ser*) and verbs like *saber* and *conocer*.

| <u>Common<br/>"yo-go" verbs</u> | <u>Verbs with<br/>yo forms in -y</u> | <u>Other common verbs<br/>with irregular yo forms</u> |
|---------------------------------|--------------------------------------|-------------------------------------------------------|
| decir – digo                    | dar – doy                            | conocer – conozco                                     |
| hacer – hago                    | estar – estoy                        | saber – sé                                            |
| oír – oigo                      | ir – voy                             | ver – veo                                             |
| poner – pongo                   | ser – soy                            |                                                       |
| salir – salgo                   |                                      |                                                       |
| seguir – sigo                   |                                      |                                                       |
| tener – tengo                   |                                      |                                                       |
| traer – traigo                  |                                      |                                                       |
