Soul On Fire:

Soul on Fire Unknown, 2025-10-14 When nine year old John O Leary struck a match in his family s garage on a cold January morning in 1987 he had no idea it would change his life forever Within seconds his body was engulfed in flames burned over 100% with doctors giving him less than a one percent chance of survival But against all odds he lived What followed was a journey few could endure months in a hospital bed excruciating pain and a long road through darkness faith and healing Yet even when his body was broken and hope seemed lost grace was already working behind the scenes through a mother who refused to give up a father who prayed through the night and a sports legend Jack Buck who reached out from across the airwaves to tell a dying boy Keep fighting Decades later John O Leary would stand on stages across the world scars gleaming under the lights sharing the miracle of survival and the message that saved him that faith can rebuild what fire destroys Soul on Fire The True Story of John O Leary s Miracle Survival and the Faith That Rebuilt His Life is not just the story of one man s comeback it s a living reminder that the human spirit is unbreakable It s about the power of gratitude the strength of love and the sacred truth that every scar can become a sign of redemption From the ashes of tragedy to the triumph of grace this unforgettable true story will leave you breathless and believing again in miracles that never end A book for anyone who s ever asked Why me and is ready to hear Because you were made for more Read it Feel it Live inspired

Blinded by the Sun Seamus Guyver, 2013-10-30 A passage between the stars the moon and the thoughts caught within all of us The different emotions we hide sometimes when left staring at the sun feeling the moon within your mind For all the people and chances that have gone before Of all the times we felt so much alive and the regrets we hold like the dark side of the moon Knowing the journey will lead us within the sun changing our views Feeling a step within life is just a change within our minds Now feel the journey within one mind take the time to ponder all the thoughts and feelings felt within one sun and the mood of this life and how it can lift you higher and take you down when you lose the focus of the road that lies ahead and people who move like ghosts within your trail Knowing one day you will unite the Sun and the Moon and find a distant peace within your heart This may take time and Journey will have many falls But the road is just a reflection within the memories of our minds
