K'Oben Amber M. O'Connor,Eugene N. Anderson,2016-12-14 K Oben traces the Maya kitchen and its associated hardware ingredients and cooking styles from the earliest times for which we have archaeological evidence through today s culinary tourism in the area It focuses not only on what was eaten and how it was cooked but the people involved who grew

or sourced the foods who cooked them who ate them Additionally the authors examine how Maya foodways and the people involved fit into the social system particularly in how food is incorporated into culture economy and society The authors provide a detailed literature review of hard to find sources including out of print centuries old cookbooks archaeological field notes ethnographies and ethnohistories out of circulation and not available in English thesis documents only available in Spanish and in university archives as well as current field research on the Maya The more recent Maya foodways can be studied from cookbooks ethnographies and ethnohistorical documentation Between the two of us we have assembled a small but representative collection of cookbooks some self published and rare that were available in Merida and elsewhere in Mexico during the late 20th century Some are quite old and all reflect local traditional foodways Geographically the book concentrates on Yucatan Tabasco and Chiapas in Mexico but will include Pre Classic and Classic evidence from Guatemala and El Salvador whose foodways are influenced by Maya traditions
