Social Media and Everyday Life in South Africa Tanja E Bosch, 2020-11-22 This book explores how social media is used in South Africa through a range of case studies exploring various social networking sites and applications This volume explores how over the past decade social media platforms have deeply penetrated the fabric of everyday life The author considers South Africans use of wearable tech and use of online health and sports tracking systems via mobile phones within the broader context of the digital data economy The author also focuses on the dating app Tinder to show how people negotiate and redefine intimacy through the practice of online dating via strategic performances in pursuit of love sex and intimacy The book concludes with the use of Facebook and Twitter for social activism e.g. Fees Must Fall as well as networked community building as in the case of the #instaying movement This book will be of interest to social media academics and students as well as anyone interested in social media politics and cultural life in South Africa

The Routledge Handbook of English-Medium Instruction in Higher Education Kingsley Bolton, Werner Botha, Benedict Lin, 2024-03-21 This Handbook discusses the theoretical and disciplinary background to the study of English medium instruction EMI in higher education worldwide It highlights issues relating to EMI pedagogy varying motivations for EMI education and the delivery of EMI in diverse contexts across the world The spread of English as a teaching medium and the lingua franca of the academic world has been the subject of various debates in recent years on the perceived hegemony of the English language and the domain loss of non-English languages in academic communication Encompassing a wide range

of contributions to the field of EMI the chapters of this Handbook are arranged in four distinct parts Part I provides an overview of English medium instruction in higher education worldwide Part II focusses on EMI in Europe Part III on EMI in the Middle East North Africa and Sub Saharan Africa and Part IV on EMI in the Asian region The overall scope and level of expertise of this Handbook provides an unrivalled overview of this field of education It serves as an essential reference for many courses dealing with applied linguistics English language education multilingualism sociolinguistics and related subjects at many levels of education including Master s and PhD level studies This Handbook serves as a valuable edition for university libraries across the world and an essential read for many faculty undergraduate and postgraduate students educators and policymakers The Transformative Power of Language Russell H. Kaschula,H. Ekkehard Wolff,2020-09-10

Language has played a pivotal role in societal transformation in postcolonial Africa towards the creation of globally competitive knowledge societies however so far this role has been under researched and under estimated This volume addresses this gap in the literature by bringing together a team of globally recognised scholars to explore the effect of language on African postcolonial societies and how it has contributed to achieving mental decolonisation A range of languages are explored both imported ex colonial and indigenous African and case studies from different spheres of public discourse are investigated from universities to legal settings Demonstrating that multilingualism is a resource for rather than barrier to successful transformation this book brings the intellectualisation and institutionalisation of African languages to the forefront of development discourse and provides an insightful snap shot of how current academic research public discourse political activism and social community engagement have contributed to societal transformation in South Africa

The Political Economy of Xenophobia in Africa Adeoye O. Akinola,2017-11-13 This book analyzes the phenomenon of xenophobia across African countries With its roots in colonialism which coercively created modern states through border delineation and the artificial merging and dividing of communities xenophobia continues to be a barrier to post colonial sustainable peace and security and socio economic and political development in Africa This volume critically assesses how xenophobia has impacted the three elements of political economy state economy and society Beginning with historical and theoretical analysis to put xenophobia in context the book moves on to country specific case studies discussing the nature of xenophobia in Nigeria South Africa Zambia Ghana and Zimbabwe The chapters furthermore explore both violent and non violent manifestations of xenophobia and analyze how state responses to xenophobia affects African states economies and societies especially in those cases where xenophobia has widespread institutional support Providing a theoretical understanding of xenophobia and proffering sustainable solutions to the proliferation of xenophobia in the continent this book is of use to researchers and students interested in political science African politics peace studies security and development economics as well as policy makers working to eradicate xenophobia in Africa Community Engagement in Higher Education Manju Singh,Purva Bhatt,Wafa Singh,Kumar Sambhav Pareek,2023-06-19 This book explores the finer

nuances of community engagement in Indian higher education ranging from theory to practice It contextualizes the concept and practice of community engagement in the contemporary context capturing global experiences insights and varied standpoints The volume also identifies gaps present in the system and recommends solutions for the successful implementation and scaling up of the practice of community engagement not only in India but also at the global level It also brings to the forefront opinions perspectives and experiences of stellar women and their valuable scholarship with the aim of addressing the gender gap in the field of knowledge production on community engagement The book will be of interest to scholars teachers and researchers of education higher education and sociology of education It will also be useful for academicians think tanks higher education administration policymakers civil society organizations higher education institutions and those interested in the study of community engagement

Critical management studies in South Africa, 2021-11-30 This book shows how Critical Management Studies CMS scholarship is starting to develop a character of its own in South Africa It attests to CMS slowly gaining momentum and acquiring an identity of its own amongst South African scholars However management studies in South Africa is dominated by capitalist ideology and positivist methodology Although Interpretive scholarship has gained some momentum it still falls within the parameters of mainstream capitalist thinking Scholarship outside the domain of capitalist thinking such as critical scholarship remains sorely underexplored Being entrenched in the positivist tradition is arguably a major Achilles Heel for the progression of management as a field of inquiry CMS presents a vehicle for alternative epistemologies to be heard in the management discourse With its focus on power imbalances struggles for emancipation from oppression and distrust of capitalism CMS provides the peripheral point of view with a voice CMS presents a space where scholars can engage with South African realities surrounding political cultural social and historical contexts and issues in management This book is promoting CMS to the scholarly community to show that there are exciting possibilities being offered by a different approach to management scholarship This book also forms part of a larger project of growing CMS in South Africa and is a collection of original works by academics actively working in CMS following various methodological approaches which can be categorised into two broad methodological categories namely conceptual work and empirical work following an Interpretive approach

The Bloomsbury Handbook of Values and Ethical Change in Transformative Leadership in Higher Education Mary Drinkwater, Yusef Waghid, 2024-08-22 The Bloomsbury Handbook of Values and Ethical Change in Transformative Leadership in Higher Education explores the theoretical and conceptual frameworks which can broaden and deepen an educational leader's knowledge and skill set related to values and ethical change in times of crises and change With contributions from five continents the handbook brings together multi contextual perspectives to the understanding and application of the theoretical and conceptual models in the field A broad range of leadership skills and approaches are explored including collaborative democratic learning centered transactional charismatic transformative transformational Stieglerian nootechnologies agency theory and network

leadership Countries covered include Australia Brazil Canada Cyprus India Italy Portugal South Africa and the UK The book forms part of the The Bloomsbury Handbooks of Crises and Transformative Leadership in Higher Education collection brought together by Mary Drinkwater **Impact of Global University Ranking Systems on Developing Countries** Onyancha, Omwoyo Bosire,Tella, Adeyinka,2023-06-01 The emotive discourses on the subject of university rankings are directly linked to the effect of such rankings on the performance of universities throughout the world It has been observed that the top ranked universities attract major financial commitments from the industry the best students quality researchers and a wide range of other quality endowments such as equipment libraries and laboratories It is not surprising that the ranking of universities has gained popularity and become a significant factor shaping not only the reputation of universities but also the performance of said institutions around the world including the developing countries Impact of Global University Ranking Systems on Developing Countries presents a collection of perspectives from scholars and other stakeholders on the impact of the global ranking systems on developing countries The book is an additional resource for discussion and discourse as far as the global university ranking systems are concerned and opens new frontiers for further research Covering key topics such as assessment ethics and academic freedom this premier reference source is ideal for administrators policymakers researchers scholars academicians practitioners instructors and students *Responsibility of Higher Education Systems* ,2020-06-29 The evolving societal political and economic landscape has led to increased demands on higher education institutions to make their contribution and benefits to society more visible and in many cases with fewer public resources This book contributes to the understanding of the responsibilities of Higher Education and the challenges posed to the production and circulation of knowledge It raises questions about the role of higher education in society its responsibility towards students and staff and regarding its intended impact The book brings together a range of topical papers and a diversity of perspectives scientific investigations of reputed scholars critical evidence based papers of third space professionals and policymakers perspectives on the daily practice and management of higher education institutions and systems The variety of both content and contributors elevates the richness of the book and its relevance for a large audience Contributors are Victor M H Borden Lex Borghans Bruno Broucker Hamish Coates Gwilym Croucher Lisa Davidson Mark Engberg Philipp Friedrich Martina Gaisch Solomon Gebreyohans Gebru Ton Kallenberg Kathi A Ketcheson Lu Liu Alfredo Marra Clare Milsom Kenneth Moore Roberto Moscati Marjolein Muskens Daniela N meyer Attila Pausits Svetlana Shenderova Wafa Singh Chuanyi Wang Denyse Webbstock Gregory Wolniak and Jiale Yang See inside the book Internal migration and development planning in South Africa (Dr) Ilse Eigelaar-Meets,2025-02-19 This scholarly book aims to illustrate the importance of incorporating internal migration data into development planning initiatives and processes to gain insight into both short and long term social changes This publication draws on census data pertaining to internal migration flows in the Northern Cape and Western Cape provinces of South Africa The author analyses compares and presents data

across three post apartheid periods 1996 2001 2001 2006 and 2006 2011 to illustrate how current forces drive and direct migration flows and how this impacts the social dynamics within the two provinces This book highlights three significant shifts when comparing the two provinces pre and post 1994 internal migration trends First it examines the change in the political context framing mobility Second it explores the change in the types of internal migration flows sustaining urbanisation Third and lastly it analyses the changing profile of mobile migrants in the Northern Cape and Western Cape Internal migration and development planning in South Africa makes a compelling case for a strategic and coordinated approach by governments by demonstrating the influence of political and economic forces on internal migration flows and their impact on community social dynamics Such an approach is essential to address the increasing developmental constraints and challenges posed by internal migration in post apartheid South Africa

Handbook of Planning Support Science Stan Geertman, John Stillwell, 2020-02-28 Encompassing a broad range of innovative studies on planning support science this timely Handbook examines how the consequences of pressing societal challenges can be addressed using computer based systems Chapters explore the use of new streams of big and open data as well as data from traditional sources offering significant critical insights into the field

The Routledge International Handbook of Discrimination, Prejudice and Stereotyping Cristian Tileagă, Martha Augoustinos, Kevin Durrheim, 2021-08-29 This handbook explores prejudice stereotyping and discrimination primarily as phenomena embedded in the social organization of societies and connected to structural factors and larger societal systems It offers a unique critical and cross disciplinary approach to the study of contemporary manifestations of prejudice stereotyping and discrimination New socio psychological analyses of the most pressing social problems of our age bring into view future directions of research on prejudice stereotyping and discrimination oriented to social change and collective action and that engage with wider systems of norms and discourse The editors draw on social psychology sociology social policy clinical psychology cultural studies and feminist antiracist and decolonizing social science to show how social psychology can successfully rekindle its intellectual dialogue with kindred social science fields to create broader foundations for the exploration of the paradoxes lodged at the heart of the social expression of prejudice in liberal democracies This is essential reading for anyone interested in prejudice discrimination and stereotypes The handbook will be of interest to academics and researchers exploring both the quantitative and qualitative aspects of discrimination inequality and social exclusion as well as students undertaking masters or doctoral studies in social psychology political psychology and political science

Critical Pedagogy Tomas Boronski, 2021-08-16 This accessible text provides a clear overview of the contemporary themes and challenges within critical pedagogy and suggests a path towards a more conscientious world for all through education Boronski encourages us to imagine radical alternatives to current approaches not merely for ideological reasons but due to increasing necessity for environmental and sociological perspectives With case studies discussion tasks and exemplars from global history woven throughout each chapter considers

a prominent societal and educational issue tackling some difficult and unsettling areas Embedded in this exploration is an understanding and application of key concepts such as justice equality rights and power and how these relate to a range of topics in UK schooling These include the role of teachers in an age of hyper surveillance and performance monitoring alternative approaches to education and the growing fear of the other Essential reading for Education Studies students at undergraduate and Master s level this comprehensive text will also be of interest to students of Social Policy Sociology and Politics programmes

Youth-Led Social Movements and Peacebuilding in Africa Ibrahim Bangura,2022-05-23 This book critically examines and analyses the active role played by youth led social movements in pushing for change and promoting peacebuilding in Africa and their long term impacts on society Africa s history is characterised by youth movements The continent s youth populations played pivotal roles in the campaign against colonialism and ever since independence Africa s youth have been at the center of social mobilisation Most recently social media has contributed significantly to a further rise in youth led social movements However the impact of youth voices is often marginalised by patriarchal and gerontocratic approaches to governance denying them the place voice and recognition that they deserve Drawing on empirical evidence from across the continent this book analyses the drivers and long term impacts of youth led social movements on politics in African societies especially in the area of peacebuilding The book draws attention to the innovative ways in which young people continue to seek to re engineer social space and challenge contexts that deny them their voice place recognition and identity This book will be of interest to researchers across the fields of social movement studies youth studies peace and conflict studies history political sciences social justice and African studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Information, Knowledge, and Technology for Teaching and Research in Africa Dennis Ocholla,Omwoyo Bosire Onyancha,Aderonke Olaitan Adesina,2024-06-01 This book focuses on data and knowledge management for teaching and research in Africa The importance of the information and knowledge society in current times is recognized and adopts a meta analysis to demonstrate that modernization theory could be applied to economic development and rapid transformation of ISWEs in South Africa The book argues that modernity and the information and knowledge society present the shift and transition from the traditional way of doing things through information and communication technologies ICTs which could bring about developing progressing and advancing developing communities particularly Informal Sector Women Entrepreneurs ISWEs The book also has further shows how the modernization theory could be applied to the plight of ISWEs to assist them in leapfrogging from their situation and enjoying global business platforms Various techniques and strategies for collaborative engagements among academics towards strengthening scholarly ties within institutions and across borders especially in Africa are presented This is a valuable source for understanding the contemporary issues in information and knowledge management sharing and collaboration among

university academics for undergraduates and postgraduate students in the library and information science profession Tacit knowledge is also presented as an asset that boosts innovation and generates competitive advantage for organizations in all walks of life Global research data management RDM literature is emphasized in higher education institutions HIEs and their libraries The status of RDM services as well as the competency requirements of employees responsible for providing RDM services and researchers are addressed in the examined literature

Enhancing the Freedom to Flourish in Higher Education Talita M. L. Calitz, 2018-08-06 Persistent educational economic and social inequalities perpetuate unequal participation in higher education for a significant number of students in both developing and developed contexts offering these students fewer opportunities to convert academic resources into equal participation

Enhancing the Freedom to Flourish in Higher Education explores the insight that student narratives can offer to the debate surrounding the complex reasons of why some students flourish at university while others are marginalised socially and academically Proposing a new model of equal participation that draws not only on international comparisons but is also embedded in the experiences of students the book offers practical suggestions on how to enhance opportunities for equal participation Using South Africa as a case study the book tracks the experiences of eight undergraduate students whose narratives illuminate the structural inequalities affecting participation in higher education Despite the political economic and academic factors that lead to diminished participation the book foregrounds the resources that students used to negotiate obstacles and grounds these individual narratives in broader global debates around justice widening participation and equality in higher education

Enhancing the Freedom to Flourish in Higher Education brings critical social theory to the problem of unequal participation so as to challenge the invisible and implicit forms of inequality found within student narratives It will appeal to lecturers and tutors practitioners based in student affairs and policy makers as well as postgraduate students

South African Universities 2016 Application Book Review: Unveiling the Power of Words
