Sovereign Grace: Its Source, Its Nature and Its Effects Dwight Lyman Moody, 2019-12-06 In *Sovereign Grace Its Source Its Nature and Its Effects* Dwight Lyman Moody explores the complexities of divine grace through a theological lens that balances fervent evangelical zeal with scholarly rigor. The text lays out a comprehensive discourse on grace delineating its origins in scripture and its transformative effects on the believer's life. Moody employs a straightforward yet impactful literary style, inviting readers into a profound understanding of grace as the core of salvation while establishing his arguments through biblical exegesis and personal anecdotes that resonate with the Christian experience. Dwight Lyman Moody, a pivotal figure in the 19th-century American revivalist movement, dedicated his life to evangelism and education. His experiences with the church and outreach shaped his theological perspectives. Moody's upbringing in a modest family, coupled with his fervent belief in the redemptive power of grace, informs his writings, offering readers both practical and theoretical insights. His engagements in public preaching created a platform for his beliefs, positioning him as a formidable preacher and an influential author in Christian literature. This book is an essential read for anyone seeking to deepen their understanding of grace within the Christian faith. Moody's articulate and passionate exposition not only engages the mind but also nurtures the heart, making it a significant work for theologians, church leaders, and lay readers alike. Sovereign Grace: Its Source, Its Nature and Its Effects D.L. Schleiermacher and Palmer Justin A. Davis,2019-09-11 Twenty first century Protestantism is radically different from the Protestantism of the Reformation The challenges of modernity affected all aspects of Christianity and the more successful attempts to combat these challenges came about as a result of two rather different yet similar theologians in the nineteenth century This work provides an exhaustive look at Friedrich Schleiermacher the father of modern liberal Protestantism and Phoebe Palmer the mother of the Holiness movement The trend of liberalism is to strip away all but what is essential to Christian life while the Holiness movement sought to make all of life applicable to the Bible and God While these two movements may appear contradictory they are grounded in a shared source of experiential Protestantism commonly known as Pietism and develop their theological systems from this starting point This study includes not only their theologies but also biographies that introduce the reader to these two luminaries Liberalism and holiness as created by Schleiermacher and Palmer lay the foundation for Pentecostalism fundamentalism neo orthodoxy and the interdenominational movements of the nineteenth century Only from this vantage can we understand the modern Protestant mindset
