On the Outside David J. Harding, Jeffrey D. Morenoff, Jessica J. B. Wyse, 2019-02-21 A crucial analysis of how the truly disadvantaged people who enter prison fare in the three years after their release Paula England NYU America's high incarceration rates are a well known facet of contemporary political conversations Mentioned far less often is what happens to the nearly 700 000 former prisoners who rejoin society each year On the Outside examines the lives of twenty two people varied in race and gender but united by their time in the criminal justice system as they pass out of the prison gates and back into the world The book takes a clear eyed look at the challenges faced by formerly incarcerated citizens as they try to find work housing and stable communities Standing alongside these individual portraits is a quantitative study conducted by the authors that followed every state prisoner in Michigan who was released on parole in 2003 roughly 11 000 individuals for the next seven years providing a comprehensive view of their post prison neighborhoods families employment and contact with the parole system On the Outside delivers a powerful combination of hard data and personal narrative that shows why our country continues to struggle with the social and economic reintegration of the formerly incarcerated One of the Vera Institute of Justice's Best Criminal Justice Books of 2019

Coming Home to New Orleans Karl F. Seidman, 2013-03-04 Coming Home to New Orleans documents grassroots rebuilding efforts in New Orleans neighborhoods after hurricane Katrina and draws lessons on their contribution to the post disaster recovery of cities The book begins with two chapters that address Katrina's impact and the planning and public sector recovery policies that set the context for neighborhood recovery Rebuilding narratives for six New Orleans neighborhoods are then presented and analyzed In the heavily flooded Broadmoor and Village de L Est neighborhoods residents coalesced around communitywide initiatives one through a neighborhood association and the second under church leadership to help homeowners return and restore housing get key public facilities and businesses rebuilt and create new community based organizations and civic capacity A comparison of four adjacent neighborhoods in the center of the city show how differing socioeconomic conditions geography government policies and neighborhood capacity created varied recovery trajectories The concluding chapter argues that grassroots and neighborhood scale initiatives can make important contributions to city recovery in four areas repopulation restoring complete neighborhoods with key services and amenities rebuilding parts of the small business economy and enhancing recovery capacity It also calls for more

balanced investments and policies to rebuild rental and owner occupied housing and more deliberate collaboration with community based organizations to undertake and implement recovery plans and proposes changes to federal disaster recovery policies and programs to leverage the contribution of grassroots rebuilding and more support for city recovery
