Twentieth-Century South Africa Bill Freund, 2019 This unique history highlights South Africa's complex and dynamic attempt to build a developmental state an attempt that ultimately faltered

Democracy's Infrastructure Antina von Schnitzler, 2016-10-25 In the past decade South Africa's miracle transition has been interrupted by waves of protests in relation to basic services such as water and electricity Less visibly the post apartheid period has witnessed widespread illicit acts involving infrastructure including the nonpayment of service charges the bypassing of metering devices and illegal connections to services Democracy's Infrastructure shows how such administrative links to the state became a central political terrain during the antiapartheid struggle and how this terrain persists in the post apartheid present Focusing on conflicts surrounding prepaid water meters Antina von Schnitzler examines the techno political forms through which democracy takes shape Von Schnitzler explores a controversial project to install prepaid water meters in Soweto one of many efforts to curb the nonpayment of service charges that began during the antiapartheid struggle and she traces how infrastructure payment and technical procedures become sites where citizenship is mediated and contested She follows engineers utility officials and local bureaucrats as they consider ways to prompt Sowetans to pay for water and she shows how local residents and activists wrestle with the constraints imposed by meters This investigation of democracy from the perspective of infrastructure reframes the conventional story of South Africa's transition foregrounding the less visible remainders of apartheid and challenging readers to think in more material terms about citizenship and activism in the postcolonial world Democracy's Infrastructure examines how seemingly mundane technological domains become charged territory for struggles over South Africa's political transformation

Nieftagodien, Sifiso Mxolisi Ndlovu, Bhekizizwe Peterson, 2016-06-01 A detailed account of the incredibly influential Soweto Student Uprising of 1976 The Soweto Student Uprising of 1976 was a decisive moment in the struggle against apartheid It marked the expansion of political activism to a new generation of young activists but beyond that it inscribed the role that young people of subsequent generations could play in their country's future Since that momentous time students have held a special place in the collective imaginary of South African history Drawing on research and writing by leading scholars and prominent activists *Students Must Rise* takes Soweto 76 as its pivot point but looks at student and youth activism in South Africa more broadly by considering what happened before and beyond the Soweto moment Early chapters assess the impact of the anti pass campaigns of the 1950s of political ideologies like black consciousness as well as of religion and culture in fostering political consciousness and organisation among youth and students in townships and rural areas Later chapters explore the wide reaching impact of June 16th itself for student organisation over the next two decades across the country Two final chapters consider contemporary student based political movements including RhodesMustFall and FeesMustFall and historically root these in the long and rich tradition of student activism in South Africa 2016 marks the 40th anniversary of the 1976 June 16th uprisings This book rethinks the conventional narrative of youth and student activism in South Africa by placing that most famous of moments the 1976 students uprising in Soweto in a deeper historical and geographic context

The Novel in Africa and the Caribbean Since 1950 Simon Gikandi, 2016 The Novel in Africa and the Caribbean since 1950 examines the institutional and social peculiarities that make fiction produced in Africa and the Atlantic World since 1950 important to the history of the novel in English *Bodies of Truth* Rita Kesselring, 2016-10-12 *Bodies of Truth* offers an intimate account of how apartheid victims deal with the long term effects of violence focusing on the intertwined themes of embodiment injury victimhood and memory In 2002 victims of apartheid era violence filed suit against multinational corporations accusing them of aiding and abetting the security forces of the apartheid regime While the litigation made its way through the U S courts thousands of victims of gross human rights violations have had to cope with painful memories of

violence They have also confronted an official discourse claiming that the Truth and Reconciliation Commission of the 1990s sufficiently addressed past injuries This book shows victims attempts to emancipate from their experiences by participating in legal actions but also by creating new forms of sociality among themselves and in relation to broader South African society Rita Kesselring s ethnography draws on long term research with members of the victim support group Khulumani and critical analysis of legal proceedings related to apartheid era injury Using juridical intervention as an entry point into the question of subjectivity Kesselring asks how victimhood is experienced in the everyday for the women and men living on the periphery of Cape Town and in other parts of the country She argues that the everyday practices of the survivors must be taken up by the state and broader society to allow for inclusive social change in a post conflict setting *Collaborative community partnerships across education settings* Mariëtte P. Koen, Luiza O. De Souza, 2025-02-25 This book features chapters by scholars from various education fields specialising in sustainability As the first volume in North West University s Community based Educational Research Series it focuses on transforming education through a participatory approach The authors explore quality education across early childhood primary secondary and higher education by examining collaborative efforts among practitioners parents and teachers This scholarly book provides empirical evidence on how collaborative initiatives can promote sustainable development These initiatives encourage partnerships among community leaders educators learners nongovernmental organisations government and the private sector for lifelong learning and professional development It highlights southern African experiences in collaborative education aligned with the United Nations sustainable development goal of achieving quality education The book demonstrates various research designs and methods applied to educational practice from early childhood to tertiary levels through empirical research and community projects **Patriots & Parasites** Dene Smuts, 2016-11-01 Patriots The great experiment in catharsis that was the Truth and Reconciliation Commission The reinvigoration of racial polarisation under the Mbeki administration and the slow burn of resentment that is coming to a head among the next generation as manifested in the RhodesMustFall campaign The entrenchment of cronyism under Zuma and the fight to protect the crucial balance of accountability enshrined in the freedom of the media and the independence of the judiciary **Research Division Bulletin** , 1970 *Natures of Africa* F. Fiona Moolla, 2016-06-01 One of the first edited volumes to encompass transdisciplinary approaches to a number of cultural forms including fiction non fiction oral expression and digital media Environmental and animal studies are rapidly growing areas of interest across a number of disciplines Natures of Africa is one of the first edited volumes which encompasses transdisciplinary approaches to a number of cultural forms including fiction non fiction oral expression and digital media The volume features new research from East Africa and Zimbabwe as well as the ecocritical and eco activist powerhouses of Nigeria and South Africa The chapters engage one another conceptually and epistemologically without an enforced consensus of approach In their conversation with dominant ideas about nature and animals they reveal unexpected insights into forms of cultural expression of local

communities in Africa The analyses explore different apprehensions of the connections between humans animals and the environment and suggest alternative ways of addressing the challenges facing the continent These include the problems of global warming desertification floods animal extinctions and environmental destruction attendant upon fossil fuel extraction There are few books that show how nature in Africa is represented celebrated mourned or commoditised *Natures of Africa* weaves together studies of narratives from folklore travel writing novels and popular songs with the insights of poetry and contemporary reflections of Africa on the worldwide web The chapters test disciplinary and conceptual boundaries highlighting the ways in which the environmental concerns of African communities cannot be disentangled from social cultural and political questions This volume draws on and will appeal to scholars and teachers of oral tradition and indigenous cultures literature religion sociology and anthropology environmental and animal studies as well as media and digital cultures in an African context

Year of Fire, Year of Ash Baruch Hirson, 2016-06-15 We can say without fear of being contradicted by history that June 16 1976 heralded the beginning of the end of the centuries old white rule in this country Nelson Mandela Originally banned on publication by the apartheid government *Year of Fire Year of Ash* is an eye opening account of how in June 1976 20 000 school students faced down the tanks and guns of a vicious racist regime in a revolt that galvanized the black working class and became a pivotal turning point for the anti apartheid movement More than this the book overturns much of the conventional logic that served to explain the event at the time showing it was not simply a student protest but part of a wider uprising Released in this new edition to mark the fortieth anniversary *Year of Fire Year of Ash* provides an unparalleled insight into the origins and events of the uprising from its antecedents in the 1920s to its role in inspiring global solidarity against apartheid As South Africa experiences a new wave of popular discontent and as new forms of black consciousness come to the fore in movements around the world Baruch Hirson's book provides a timely reminder of the Soweto revolt's continued significance to struggles against oppression today
