The Communion Of Saints John Miller,2017-01-24 God s saints come in a wide variety of personalities with purity and dubious intent liberally mixed into all of them They have many levels of faith or doubt along with obvious or deceptively disguised sanctity All saints are flawed people there is none totally righteous no not one as the apostle Paul insisted Nonetheless all daughters and sons of God are saints And because everyone is a child of God we are all saints even if we reject our God given saintly status The author has known many hundreds of church members very well through more than fifty years of parish ministry plus several thousands of others not so well The Communion of Saints A Pastor s Potpourri of Parishioners is a collection of short biographical sketches of many admired church people as seen through the eyes of a long of tooth parson

Drill Instructor for the Lord Tony Jones,2017-07-24 I

wrote this book to encourage people to live their dreams and let God lead them in his way of life and I also want to promote stewardship in the church It is a story of how God changed my life and how I made it through the storms of life with the help of God I always remembered that it was not my will but Gods will He helped me accomplish anything I needed throughout my journey and he can do the same for you A Lousy Start Jacobaris,2010-11 Prior to the stock market crash in 1929 Holland was a prosperous country where its people enjoyed secure futures or so they thought After the world s economic collapse millions were forced into a poverty stricken existence where every day was a struggle to survive A Lousy Start shares one family s vivid impressions of living in Holland during the Great Depression and the lasting impact those experiences had on their lives At the beginning of the twentieth century Arie Demerwe worked hard and was paid very little but still managed to put food on his table Sent to fight in the war of 1918 Arie finally returned to his hometown where he began working again only to see everything change again after the end of World War I As the people of Holland enjoyed wealth they assumed would last forever dark changes loomed ahead When the sun rose on October 23 1929 no one had a clue that tragedy would strike by day s end For the next ten years a hostile world would transform even the most religious people into thieves and liars As one family fought to stay alive in a bleak existence each of them learned valuable life lessons they would carry with them forever
