Ut Ur Skuggan Jessica Kolterjahn:

Ut ur skuggan Jessica Kolterjahn, 2012-05-10 Ut ur skuggan är en berättelse om längtan. Längtan efter ett eget liv efter att förgått meningsfullt efter att bli läskad. Agnes föds in i en rik verkstadsfamilj och växer upp under tjugo och trettiotalen. Hemmet är kyligt och kallelser stannar och Agnes ender förtroget för hennes morfar som är stum och delvis förlamad efter ett slaganfall. Det är han som ger henne en kamera och det är han som ser till att hon får möjlighet att gå som modell hos en fotograf. Genom kameran upptäcker Agnes världen på ett nytt sätt och hon fascinerar sig av vad hon kan skapa med den i sin hand. När hon sedan möter Claire en gift kvinna vänder hela hennes tillvaro upp och ner. Agnes blir höftigt förläskad och de inleder ett komplicerat förhållande som dock avbryts när Agnes får upptäcka vad som pågår emellan. Efter en olycka hamnar Agnes i en långtidskonvalescens. Hon förstår nu att hennes kärlek till Claire är förbjuden och känner skam och önskar införa sig själv. Genom sin bror Carl Henrik möter Agnes den unge begåvade författaren Viktor. De gifter sig och äktenskapet är till en början mycket lyckligt men när Agnes får missfall och hon inte lyckas bli gravid igen drar sig Viktor undan henne. Sorgen efter det förlorade barnet och förväntningarna på hans författarskap håller sakta på att bryta ner honom. Till slut kan Viktor inte se någon annan utväg än att lämna Agnes. Ut ur skuggan är Kolterjahns imponerande debutroman skriven på en glasklar sinnlig prosa som harmonierar med själva bokens tidsanda som Agnes karaktär. **International LGBTQ+ Literature for Children and Young Adults** B.J.

Epstein, Elizabeth Chapman, 2021-08-17 This edited collection explores LGBTQ literature for young readers around the world and connects this literature to greater societal political linguistic historical and cultural concerns. It brings together contributions from across the academic and activist spectra looking at picture books middle grade books and young adult novels to explore what is at stake when we write or do not write about LGBTQ topics for young readers. The topics include the representation of sexualities and gender identities depictions of queer families censorship links between culture language and sexuality gender translation of LGBTQ literature for young readers and self publishing. It is the first collection to expand the study of LGBTQ literature for young readers beyond the English speaking world and to draw cross cultural comparisons.

Den bästa dagen är en dag av törst (specialutgåva) Jessica Kolterjahn, 2013-04-03 Jag är drömlad på känslor och liv. I en tunn skärmd som sitter fast i gongstans i mitt inre hänger dödsakterna och dinglar. Rösterna. Det är den som driver mig hit. Jag har tappat bort mig själv men jag har kommit hit för att kunna leva. Eller för att kunna dö. Det är 1932 när Karin Boye tar sin tillflykt till Berlin. Bakom sig lämnar hon sin make. Sina älskare. Det intensiva arbetet med tidskriften Spektrum och versifikationen av Det de landet. Djupt deprimerad hoppas hon att psykoanalytikern doktor Walter Schindler ska kunna bota henne. Driva ut det gift som rinner i hennes kropp. Giftet och Tårsten efter kvinnor. Den första tiden är ensamheten stark. Hon längtar hem. Har ont om pengar och svårt att finna sina egna ord igen. Och den nya staden skrämmer henne. En stad som brinner av hat. Värld och fattigdom. Men snart upptäcker hon också en värld som aldrig tidigare varit tillgänglig för henne. Klubbar och caféer där man pratar om kärlek och kvinnor. Hos analytikern minns hon sin uppväxt med en bokläskande far och en alkoholiserad mor.

religiösa grubblerier ofullbordade förhållelser i jättmånga rika flickor Hon talar om kärskapet byggt på vanskap och om den destruktiva kärleksrelationen med Josef Rivkin Med motstridiga känslor berättar hon om talet styra hennes handlingar Samtidigt ger analysen inte den lindring hon sökt Hon drabbas av en ny depression och Dödsdömmena drar henne mot livets utkant Den bästa dagen är en dag av tysthet i en fri litterär fantasi om ett förhållande i Karin Boyes liv E boken innehåller extramaterial Boktrailer Karin Boye lyser dikten I förhållande Katarina Hallberg sjunger tonsatta dikter av Karin Boye m m **Nattfjäril** Jessica Kolterjahn, 2012-05-16 Det har sakta berättats skymma den tunna linjen mellan hav och himmel suddas långsamt ut av det fallande mönstret Hon vänder ryggen mot havet och går tillbaka upp mot hotellet Hennes steg förändras av den tunga blåta sanden Hon sjunker längre och längre ned för varje steg hon tar Framför henne flyter den vita byggnaden ut över stranden som en hänging Torsdagen den 24 november 1892 tar en ung vacker kvinna in på Hotel del Coronado i Kalifornien Hon uppträder mer riktigt verkar mycket sjuk och förklarar upprepade gånger efter sin bror som aldrig kommer Fem dagar senare hittas hon dödd i en stentrappa utanför hotellet Bredvid sig har hon en revolver Coroner Henry Stetson rubricerar snabbt dödsfallet som självmord men i arbetet med att säkerställa kvinnans identitet berättar förgetecknen hoppa sig Har den döda skrivit in sig under falskt namn Var finns brodern hon väntat på Långsamt sugas han ner i en spiral av dödsbilden och tråkigt insjuknar hans hustru hastigt och han slits mellan ett fall som påverkar honom mer än han önskar och sin hustru som snabbt tynar bort Nattfjäril är en fri fantasi om ett verkligt fall som utspelade sig på Hotel del Coronado San Diego Kalifornien I några veckor i slutet av 1892 hölls i den hel nation trollbunden i dag publiceras det bekräftar med teorier kring självmordet och gåster på hotellet fascinerats av den spöklegend som skapats kring den döda kvinnan På en förtädd och tonsäker prosa och med en sållyst förmåga att skildra en svunnen tid levande r Jessica Kolterjahn den hemlighetsfulla berättelsen
