Union With Christ In Scripture History And Theology:

Union with Christ Robert Letham, 2011 Union with Christ is the central truth of the whole biblical teaching about salvation The entirety of our relationship with God can be summed up in this doctrine Yet when people ask what this union actually is we flounder The incarnation shows that God has made us to be united with him and God has given us his Word to enable us to understand the nature of this union Set out with Robert Letham to explore this doctrine from Scripture using help from the church fathers to modern theologians Publisher **Union with Christ** J. Todd Billings, 2011-11 An accomplished theologian recovers the biblical theme of union with Christ showing how it affects current theological and ministry issues [Union with Christ](#) Rankin Wilbourne, 2016-07-01 Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's Desiring God ministry To experience why the gospel is good news and answer life's most foundational questions about identity destiny and purpose we must understand what it means to be united to Christ If you are a Christian the Bible says that Christ has united his life to yours that you are now in Christ and Christ is in you This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation Yet few Christians today experience or enjoy this reality Union with Christ reveals the transformational power of this ancient doctrine while addressing the basic questions of the human heart Who Am I Why Am I Here Where Am I Headed How Will I Get There Nothing is more practical for living the Christian life than union with Christ The recovery of this reality provides the anchor and engine for your life with God for your destiny is not only to see Christ but to actually become like him **Union with Christ** Lewis B. Smedes, 1983 This is a print on demand book and is therefore non returnable How can a person who lived nearly two thousand years ago radically change a human life here now How can Jesus of Nazareth radically affect us as persons to the depths of our being How can he reach out over the great span of time that divides us from him and change us so profoundly that we become new creatures in him The answer according to the Apostle Paul lies in the fact that Jesus Christ enters into union with us Lewis B Smedes believes that union with Christ is at once the center and circumference of authentic human existence Union with Christ is Smedes probing and sustained exegetical study of what Paul means when he speaks of our being in Christ and Christ being in us Hailed as a thoughtful discerning and thoroughly scriptural study when it was first published in 1970 under the title All Things Made New the book has been greatly streamlined in this edition By judiciously cutting away what now strikes him as scholarly clutter Smedes has produced a carefully condensed version of his earlier work while retaining its basic substance **Paul and Union with Christ** Constantine R. Campbell, 2015-05-05 Paul and Union with Christ fills the gap for biblical scholars theologians and pastors pondering and debating the meaning of union with Christ Following a selective survey of the scholarly work on union with Christ through the twentieth century to the present day Greek scholar Constantine Campbell carefully examines every occurrence of the phrases in Christ with Christ through Christ into Christ and other related expressions exegeting each passage in context and taking into account the

Total Atonement W. Ross Hastings, 2019-10-09 Total Atonement re imagines the apprehended mystery of the atonement in light of the triune nature of God and the person and work of the incarnate Christ W Ross Hastings proposes participation as a theory or framework of atonement that holds all other models within it He argues that God's participation in humanity in order that humans might participate in God invites a total approach to the mystery of the atonement that is one that involves the whole Trinity the whole person and history of Christ and all the biblical motifs and theological models of atonement including penal substitution properly nuanced to overcome its caricatures Christus victor satisfaction vicarious life and moral exemplar Hastings re examines the scope of the atonement in light of these Trinitarian incarnational realities

A New Creation in Christ T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's The Gospel Mystery of Sanctification William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed Gospel Mystery to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet

scarcely any resources explain Marshall's theology. T. Michael Christ's *A New Creation in Christ* fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day. At a time when interlocutors were pushing one another to further extremes, Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other. He insists both that some measure of assurance of salvation must precede actual works of holiness, refuting neonomians, and that holiness is a necessary part of salvation, countering antinomianism. *A New Creation in Christ* explores how these limiting concepts translate into practical help for those who, as Marshall says, pursue holiness under the guilt and power of indwelling sin.

Complementarian Spirituality Natalie Brand, 2013-10-09. In this work, Dr. Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition. Using a distinctively feminine approach in a theological arena largely monopolized by male theologians, the author anchors corporate and personal spirituality upon the *unio mystica*, so returning to a Calvinistic appreciation of the Christian life. Grounding Reformed spirituality on the marital union between Christ and the church, a corporate portrait of the church is explored. Critical of the neglect of women in Reformed church life and practice, the author calls the tradition to reform, proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body. The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as encouraging a renewed experiential enjoyment of Christ for both men and women.

Spirit of God Jeffrey W. Barbeau, Beth Felker Jones, 2015-03-06. Jeffrey Barbeau and Beth Felker Jones edit thirteen essays on the topic of the Holy Spirit in biblical, historical, and theological perspective, featuring important contributions on the current shape of global Pentecostalism. Contributors include Allan Anderson, Oliver Crisp, Timothy George, Kevin Vanhoozer, Amos Yong, and Geoffrey Wainwright.

The Word Enfleshed Oliver D. Crisp, 2016-09-20. A fresh theological account of the person and work of Christ. The literature on Christology is large and ever expanding. The same is true for work on the atonement, which has blossomed in the last decade. Few studies attempt to connect the dots between these two theological topics, however. In this volume, respected theologian Oliver Crisp offers a fresh analytic theological account of the person and work of Christ, focusing on the theme of union with God Incarnate. Along the way, he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions. Wide-ranging and carefully argued, this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology.

Union with God Audy Santoso, 2021-08-09. If salvation makes a person become God, then how do we understand the word God? Audy Santoso assesses Robert Jenson's notion of deification on three main areas: the concept of God, Christ, and self, along with their ramifications. In this comparative study, Jenson's revisionary metaphysics in his theology opens up an insightful perspective in reading John Calvin's theology. Discussion on the Supper shows the intricate relation of what these theologians hope for with the practice of our lives in God.

The author makes a comparative assessment and integration between the seemingly opposite metaphysics of Jenson and Calvin while keeping the Creator creature distinction of Reformed theology intact Jenson says that the end is music but the author affirms a better way without negating Jenson's **Salvation** Thomas R. Schreiner, Christopher W.

Morgan, 2024-01-15 Chris Morgan and Thomas Schreiner's *Salvation* examines the doctrine of salvation through in depth explorations of the different aspects of God's salvific plan for believers Through in depth biblical and theological studies of election calling regeneration justification sanctification and more Schreiner and Morgan demonstrate how each part of our salvation is not only for our good but also for God's glory **The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)** Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697-1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e.g. the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **That God May Be All in All** Ryan L.

Rippee, 2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father's person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a Trinitarian shaped life of worship that worships our Triune God [Sin and Salvation in Reformation England](#) Jonathan Willis, 2016-03-03 Notions of which behaviours comprised sin and what actions might lead to salvation sat at the heart of Christian belief and practice in early modern England but both of these vitally important concepts were fundamentally reconfigured by the reformation Remarkably little work has been undertaken exploring the ways in which these essential ideas were transformed by the religious changes of the sixteenth century In the field of reformation studies revisionist scholarship has underlined the vitality of late medieval English Christianity and the degree to which people remained committed to the practices of the Catholic Church up to the eve of the reformation including those dealing with the mortification of sin and the promise of salvation Such popular commitment to late medieval lay piety has in

turn raised questions about how the reformation itself was able to take root Whilst post revisionist scholars have explored a wide range of religious beliefs and practices such as death providence angels and music there has been a surprising lack of engagement with the two central religious preoccupations of the vast majority of people To address this omission this collection focusses upon the history and theology of sin and salvation in reformation and post reformation England Exploring their complex social and cultural constructions it underlines how sin and salvation were not only great religious constants but also constantly evolving in order to survive in the rapidly transforming religious landscape of the reformation Drawing upon a range of disciplinary perspectives historical theological literary and material art historical to both reveal and explain the complexity of the concepts of sin and salvation the volume further illuminates a subject central to the nature and success of the Reformation itself Divided into four sections Part I explores reformers attempts to define and re define the theological concepts of sin and salvation while Part II looks at some of the ways in which sin and salvation were contested through confessional conflict polemic poetry and martyrology Part III focuses on the practical attempts of English divines to reform sin with respect to key religious practices while Part IV explores the significance of sin and salvation in the lived experience of both clergy and laity Evenly balancing contributions by established academics in the field with cutting edge contributions from junior researchers this collection breaks new ground in what one historian of the period has referred to as the social history of theology
