READING AND WRITING

Part 4: 3-option multiple-choice cloze

- 1 For each question, choose the correct answer.

Alice Springs

Alice Springs is in Australia. The town is in the centre of the country. About 24,000 people live there, and it is the ¹ ... town in the area. It is 1500 km away from the cities of Adelaide and Darwin. The area ² ... the town is a desert. It is very dry with red ³ ... and rocks. Outside Alice Springs, there are mountains, and Uluru is not ⁴ ... away. Uluru is a large and famous red rock that looks like it changes colour at different times of the day. The weather in Alice Springs is very hot, and it doesn't rain very much. In summer, the temperatures can be ⁵ ... , around 36°C, and the winters are ⁶ ... at around 20°C.

EXAM GUIDE: READING AND WRITING PART 4

In A2 Key for Schools Reading and Writing Part 4, you have to choose one word to complete each gap.

This exercise tests your understanding of words in context.

- First, read the text without worrying about the gaps. It's important to know what the text is about before you start the exercise.
- Some of the gaps test vocabulary, so you have to choose the word with the right meaning. Re-read the sentence before and after the gap to help you decide.
- Other gaps are about grammar, so re-read the sentence with the gap and try each of the options to see which sounds best.
- Always choose one of the words. Never leave a blank space.

- 2 Read the email about Niagara Falls. Choose the correct word (A, B or C) for each gap.

Here we are at Niagara Falls!

It's one of the ¹ ... amazing places in the world. There are three waterfalls here on the border between the US and Canada.

It's a fantastic place. However, Niagara Falls isn't ² ... highest waterfall in the world (that's the Angel Falls in Venezuela), but it is very big. When you are close to it, the noise from the water is so ³ ... you can't hear other people talking!

It's one of the most ⁴ ... places to visit in North America with over 30 million visitors a year. There are lots of ways to see the falls. The ⁵ ... way to get close is by boat. Visitors can also get a great ⁶ ... of the falls from an island in the Niagara River.

Unit Plan Postcards Second Edition Introduction

In today's digital age, the availability of Unit Plan Postcards Second Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Unit Plan Postcards Second Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Unit Plan Postcards Second Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Unit Plan Postcards Second Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Unit Plan Postcards Second Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Unit Plan Postcards Second Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Unit Plan Postcards Second Edition books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Unit Plan Postcards Second Edition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Unit Plan Postcards Second Edition books and manuals for download and embark on your journey of knowledge?
