Political Discourse in Emergent, Fragile, and Failed Democracies Orwenjo, Daniel Ochieng, Oketch, Omondi, Tunde, Asiru Hameed, 2016-04-19 Any system of government is comprised of several dimensions of functionality which must all work in congruence. When any part of the system is dysfunctional, the government's stability becomes fractured and societal problems can arise. Political Discourse in Emergent, Fragile, and Failed Democracies examines the effects of unstable democratic systems of government in modern society, providing an imperative analysis on political communications from such nations. Highlighting real world examples on the constraints seen in malfunctioning or emerging governments, this book is a pivotal reference source for policy makers, researchers, academicians, and upper level students interested in politics and governance.

Extractives Industry Law in Africa Damilola S. Olawuyi, 2018-09-11 The book provides a systematic examination of the legal, fiscal, and institutional frameworks for the commercial development of petroleum and solid mineral resources in Africa. First, it considers the values, assumptions, and guiding principles underpinning legislation and governance in Africa's extractive sector. It then provides detailed and comparative evaluations of regulatory frameworks, pricing, local content, procurement, sales, and contractual arrangements across African extractive industries. Further, the book assesses how questions of business and human rights, risks, accountability, corporate social responsibility, waste, and pollution control, environmental justice, and participatory development have been addressed to date and how they could be addressed better in the future. Enhancing readers' understanding of the geography, sources, and scope of extractive resources in Africa, the book explains how corporations can effectively identify, mitigate, and prevent legal and business risks when investing in African extractive industries. Lastly, it discusses the innovative legal strategies and tools needed to achieve a sustainable and rights-based extractive industry. Written in a user-friendly style, the book offers a valuable resource for corporations, investors, environmental and human rights administrators, advocates, policymakers, judges, international negotiators, government officials, and consultants who advise on or are interested in petroleum and solid mineral investments in Africa. It also offers students and researchers an authoritative guidebook to the current state of extractive industry laws and institutions in Africa. Numerous examples of how international legal norms could be used to help revitalize the underlying legal and fiscal regimes in African extractive industries to make them more robust, accountable, sustainable, and rights-based round out the coverage.

Farmers' Crop Varieties and Farmers' Rights Michael Halewood, 2016-03-21 Over the last 50 years, there has been a growing appreciation of the important role that farmers play in the development and conservation of crop genetic diversity and the contribution of that diversity to agro-ecosystem resilience and food security. This book examines policies that aim to increase the share of benefits that farmers receive when others use the crop varieties that they have developed and managed, i.e. farmers' varieties. In so doing, the book addresses two fundamental questions. The first question is how do farmer management practices, along with other factors such as environment and the breeding systems of plants, affect the evolution

and maintenance of discrete farmers varieties The second question is how can policies that depend on being able to identify discrete plant varieties accommodate the agricultural realities associated with the generation use and maintenance of farmers varieties This focus on discreteness is topical because there are no fixed internationally recognized taxonomic or legal definitions of farmers varieties And that presents a challenge when developing policies that involve making specific discrete farmers varieties the subject of legal rights or privileges The book includes contributions from a wide range of experts including agronomists anthropologists geneticists biologists plant breeders lawyers development practitioners activists and farmers It includes case studies from Asia Africa Latin America and Europe where in response to a diversity of contributing factors there have been efforts to develop policies that provide incentives or rewards to farmers as stewards of farmers varieties in ways that are sensitive to the cultural taxonomic and legal complexities involved The book situates these initiatives in the context of the evolving discourse and definition of farmers rights presenting insights for future policy initiatives

Freedom of Speech in International Law Amal Clooney, David Neuberger, 2024 Freedom of Speech in International Law charts the minimum protections for speech enshrined in international human rights law It not only addresses the problems facing free speech today but offers recommendations to give effect to the international law obligation to protect freedom of expression

Global assessment of forest education Rekola, M., Sharik, T.L., 2022-10-04 The role of the forest in countries efforts to achieve the United Nations Sustainable Development Goals SDGs are widely recognized To maximize the contribution of forests to the SDGs a workforce trained in forestry and a broad range of other forestrelated disciplines are needed as are widespread public knowledge and understanding of forest topics However recent literature highlights concerns that forest education is often not meeting the fast changing needs of the labour market and the importance of forests and of forest managers and policymakers is often under appreciated The scope of this report covers education and training related to forests trees outside forests and other wooded land i e natural forests forest plantations woodlands agroforests and urban forests It includes education delivered through programmes of forestry and forest sciences as well as programmes of broader scope e g natural resources management environmental sciences It covers all levels of formal education primary secondary technical and vocational education and training TVET and universities and colleges UC This report reveals awareness of some overarching actions that would benefit forest education including ameliorating a negative public image of professional forestrelated jobs and careers developing better collaboration between educational institutions the forest sector private and public and the general public improving demographic diversity in the post secondary student population and strengthening digital readiness at all levels of education The data collected by global survey on forest education supplemented by the six regional consultations represent a wealth of current information on the status and needs in forest education

Consolidated guidelines on person-centred HIV strategic information World Health Organization, 2022-07-29 These consolidated guidelines are aimed at supporting the generation of responsive person centred

data from routine national health management information systems across the HIV cascade from prevention testing and treatment to longer term health care They build upon the 2017 Consolidated guidelines on person centred HIV patient monitoring and case surveillance which describe information that should be collected in primary HIV patient monitoring tools and the 2020 Consolidated HIV strategic information guidelines which cover aggregate indicators for managing and monitoring programmes The purpose of this guideline consolidation is to provide the recommended data elements indicators and guidance on data systems and their use across the spectrum of health sector HIV services in one place This document focuses on strengthening the analysis and use of routine data at each stage of the cascade and emphasizes addresses person centred HIV prevention testing and treatment integration of HIV related infections the use of routine surveillance data to measure impact and the development and use of digital health data systems and their governance It also identifies the gaps and limitations in these data and the need for strengthening the use of data in all HIV related strategic information including population based surveys modelling community led monitoring and other sources

Strategic Communications in Africa
Hugh Mangeya, Isaac Mhute, Ernest Jakaza, 2021-12-24 Strategic communication is a pre requisite for the achievement of organisational goals and an effective strategic communication plan is vital for organisational success However systems and models dominant in the West may not necessarily be best suited for the sub Saharan Africa reality where many organisations lack adequate financial resources to develop and implement an effective strategic communication plan This book examines current practices in sub Saharan Africa as well as the challenges faced and the intersection with culture It packages inspiring debates experiences and insights relating to strategic communication in all types of institutions including private and public sector organisations governmental organisations and NGOs political parties as well as social movements in the sub Saharan context It explores how culture is integral to the attainment of strategic communication goals and diverse case studies across socio economic contexts offer insights into the successes of organisations across Africa including Zimbabwe Tanzania Lesotho and Nigeria This unique edited collection is a valuable resource for worldwide scholars researchers and students of strategic communication and organisational studies as well as related fields including public relations advertising political and health communication and international studies

Law Among Nations James Larry Taulbee, Gerhard von Glahn, 2022-05-30 Offering a more accessible alternative to casebooks and historical commentaries Law Among Nations explains issues of international law by tracing the field s development and stressing key principles processes and landmark cases This comprehensive text eliminates the need for multiple books by combining discussions of theory and state practice with excerpts from landmark cases The book has been updated in light of the continuing revolution in communication technology the dense web of linkages between countries that involve individuals and bodies both formal and informal and important and controversial areas such as human rights the environment and issues associated with the use of force Renowned for its rigorous approach and clear explanations Law Among Nations remains the gold standard for undergraduate

introductions to international law New to the Twelfth Edition Added or expanded coverage of timely issues in international law Drones and their use in the air and in space Outer space Cybercrime and responses The Julian Assange Case Environmental law Expanded discussion of space law Expanded discussion of conflict and non state actors Final cases in the ICTY Thoroughly rewritten chapters on areas of great change International Criminal Law Just War and War Crime Law International Economic Law newly restored in response to reviews International Environmental Law New cases statutes and treaties on many subjects *Monthly Catalogue, United States Public Documents* ,1985 **The Oxford Handbook of LGBTI Law** ,2025-11-04 The legal rights and protections of members of the LGBTI community have been subject to debate in courtrooms and in academic law discourse internationally for decades increasingly so since the 1990s A great deal of the legal literature consists of guides or journal articles on specific domestic legal systems and their rulings with a particular focus on the United States and Europe The Oxford Handbook of LGBTI Law in contrast presents an unprecedented international view of the law as it pertains to sexual orientation and gender identity This includes examination of how individual international courts have ruled on LGBTI issues and how these issues have been addressed in regions not typically addressed in mainstream literature such as Asia Africa and the Middle East Besides the corresponding question of LGBTI migration a broad array of topics related to legal protections or lack thereof for LGBTI persons is also covered from the legal rights to marriage and parenting to the rights to participate in sports the workplace and other areas of community life free from discrimination Several chapters address issues specifically faced by transgender individuals and other gender minorities The Handbook is a comprehensive but concise collection of articles about the common problems faced by LGBTI people around the world written by an international team of renowned experts Readers will benefit from their wealth of expertise and diversity of background while gaining a holistic understanding of how LGBTI people interact with the law and how the scope of these interactions has changed over a span of several decades The Handbook not only serves as an academic resource but also as a practical guide for those involved in advocacy and policymaking ensuring that readers are well equipped to understand and engage with the multifaceted legal issues surrounding gender identity and sexual orientation *Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)* Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events *Power Dynamics in African Forests* Symphorien Ongolo,Max Krott,2023-12-15 This book addresses historical perspectives and contemporary challenges of the politics of forestland governance and the related sustainability crisis in Africa It focusses on the power dynamics between key actors involved in the governance of forest related resources either for their exploitation or with regards to biodiversity conservation policies promoted at international arenas The book provides conceptual and empirical contributions on what happens when global sustainability agendas and the related policy instruments meet the realities of domestic politics in Africa It reveals that several actors in forest rich countries especially

those with limited sovereignty have often employed complex informal strategies as the weapon of the weak to resist the domination of the most powerful actors of global environmental politics The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license Genetics and Breeding for Productivity Traits in Forage and Bioenergy Grasses John W. Forster, Kevin F.

Smith, 2018-03-20 This book is a printed edition of the Special Issue Genetics and Breeding for Productivity Traits in Forage and Bioenergy Grasses that was published in Agronomy **Financial Inclusion and Digital Transformation Regulatory**

Practices in Selected SADC Countries Howard Chitimira, Tapiwa Victor Warikandwa, 2023-03-28 This book investigates the regulation and promotion of financial inclusion and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic

Trade Policy Review, 2020 *How Constitutional Rights Matter* Adam S. Chilton, Mila Versteeg, 2020 Do countries that add rights to their constitutions actually do better at protecting those rights This study draws on global statistical analyses and survey experiments to answer this question It explores whether constitutionalizing rights improves respect for those rights in practice *Annual Review of Comparative and International Education 2019* Alexander W. Wiseman, 2020-06-17 The Annual Review of Comparative and International Education 2019 examines the field of comparative and international education by bringing together scholars professionals and other stakeholders to investigate recent developments in the field that are relevant to contemporary and future educational reform and applications worldwide *Multipurpose Prevention Technologies: Call for Innovative Strategies to Address Critical Priorities and Gaps* Bethany Young Holt, Z. Mike Chirenje, Nomita Chandhiok, Ariane Van Der Straten, Jim Turpin, Anke Hemmerling, 2024-05-31 The HIV sexually transmitted infection STI syndemics and the unmet need for modern contraceptive methods continue to pose significant health risks for

women and other people worldwide As awareness of the need to address these interlinked risks has increased the need for new technologies that combine protection against unintended pregnancy HIV and other STIs is a growing research priority Multipurpose Prevention Technologies MPTs are products that simultaneously prevent HIV other STIs and or unintended pregnancy They have power to revolutionize women s health by providing prevention for multiple indications
