

# Credit Card Processing Structures

## Tiered Pricing

Many processors will use this method to hook you in by advertising qualified rates and then charge you expensive hidden fees after signing up.

## Membership pricing

This method charges businesses a monthly membership fee. Excellent option for transparent expenses.

## Flat rate pricing

Enforces a fixed amount and/or percentage for every credit card transaction. Size of the order doesn't affect structure.

## Interchange-plus pricing

In this method you pay a specific amount for every transaction, a percentage of total, and an interchange rate.

# Zirned Credit Card Processing
