Sound Roots Steps To Building A Biblical Philosophy Of Music:

Sound Roots Dana Everson, 2008-11-12 Dana F Everson lays out the process for a pastor or interested layman to develop their own biblical philosophy of music that pleases the Lord **Just Show Up!** Frank Garlock, 2017-09 Encouraging vignettes of how God uses a life committed to serving Him Cover *The Music of Sounds and the Music of Things* Leigh Landy, John Richards, 2024-09-30 This book investigates two areas in which the appreciation of sonic creativity can be easily acquired across diverse cultures ages and interests the music of sounds making music with any sounds part of today s sampling culture and the music of things and the creation of instruments using existent materials another type of sampling involving the notion of instrument as composition as part of today s DIY or DIT do it together culture The book offers broad discussions regarding the music of things written by John Richards followed by the music of sounds written by Leigh Landy These chapters are followed by a focus on the workshop demonstrating the collaborative and inclusive potential in both areas and a spotlight on eight artists with a broad diversity of backgrounds and approaches to sound and music who discuss their perceptions The book s conclusion focuses on similarities and differences between the music of sounds and the music of things suggesting finally that both might form part of the 21st century s folk music landscape The book is primarily aimed towards students interested in current forms of sonic creativity but will be of interest to those interested in broader issues of sampling culture hacking and sound studies **Christian Register and Boston Observer** , 1903 **Gateways to Understanding Music** Timothy Rice, Dave Wilson, 2022-11-14 Gateways to Understanding Music Second Edition explores music in all the categories that constitute contemporary musical experience European classical popular jazz and world music Covering the oldest forms of human music making to the newest this chronology presents music from a global rather than a Eurocentric perspective Each of 60 gateways addresses a particular genre style or period of music Every gateway opens with a guided listening example that unlocks a world of music through careful study of its structural elements How did the piece come to be composed or performed How did it respond to the social and cultural issues at the time and what does that music mean today Students learn to listen to explain understand and ultimately value all the music they encounter in their world New to this edition is a broader selection of musical examples that reflect the values of diversity equity and inclusion advocated by North American universities Eight gateways have been replaced A timeline of gateways helps students see the book s historical narrative at a glance Features Values orientation Diverse equitable and inclusive approach to music history All genres of music Presents all music as worthy of study including classical world popular and jazz Global scope within a historical narrative Begins with small scale forager societies up to the present with a shifting focus from global to European to American influences Recurring themes Aesthetics emotion social life links to culture politics economics and technology Modular framework 60 gateways each with a listening example allow flexibility to organize chronologically or by the seven themes Consistent structure With the same step by step format students learn through repeated practice how to listen and

The Gospel and the Grateful Dead The Rev. Dr. Pitman B. Potter,2014-04-24 This book examines the linkages between the music and message of the Grateful Dead and the Christian gospel The Grateful Dead emerged from the San Francisco hippie scene in the late 1960s and offered a message of community and divine encounter While the Dead drew on the teachings of many spiritual traditions the band s ethos echoed quite powerfully the wisdom of Christian Scripture This reflection examines the ways in which the Grateful Dead embodied Christian teachings in areas of community praise and service The Grateful Dead left an enduring legacy whose power and longevity stem in significant part from the confluence of values between the Gospel and Grateful Dead

Then Sings My Soul Douglas Harrison,2012-05-15 In this ambitious book on southern gospel music Douglas Harrison reexamines the music s historical emergence and its function as a modern cultural phenomenon Rather than a single rhetoric focusing on the afterlife as compensation for worldly sacrifice Harrison presents southern gospel as a

network of interconnected messages that evangelical Christians use to make individual sense of both Protestant theological doctrines and their own lived experiences Harrison explores how listeners and consumers of southern gospel integrate its lyrics and music into their own religious experience building up individual and potentially subversive meanings beneath a surface of evangelical consensus Reassessing the contributions of such figures as Aldine Kieffer James D Vaughan and Bill and Gloria Gaither Then Sings My Soul traces an alternative history of southern gospel in the twentieth century one that emphasizes the music's interaction with broader shifts in American life beyond the narrow confines of southern gospel's borders His discussion includes the gay gospel paradox the experience of non heterosexuals in gospel music as a cipher for fundamentalism's conflict with the postmodern world Billboard ,1997-07-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Christian Union Henry Ward Beecher,1873 **Do You Remember?** Trenton Bailey,2022-12-28 In Do You Remember Celebrating Fifty Years of Earth Wind Fire Trenton Bailey traces the humble beginning of Maurice White his development as a musician and his formation of Earth Wind Fire a band that became a global phenomenon during the 1970s By the early 1980s the music industry was changing and White had grown weary after working constantly for more than a decade He decided to put the band on hiatus for more than three years The band made a comeback in 1987 but White's health crisis soon forced them to tour without him During the twenty first century the band has received numerous accolades and lifetime achievement and hall of fame awards The band remains relevant today collaborating with younger artists and maintaining their classic sound Earth Wind Fire stood apart from other soul bands with their philosophical lyrics and extravagant visual art much of which is studied in the book including album covers concerts and music videos The lyrics of hit songs are examined alongside an analysis of the band's chart success Earth Wind Fire has produced twenty one studio albums and several compilation albums Each album is analyzed for content and quality Earth Wind Fire is also known for using ancient Egyptian symbols and Bailey thoroughly details those symbols and Maurice White's fascination with Egyptology After enduring many personnel changes Earth Wind Fire continues to perform around the world and captivate diverse audiences Form vs. Work Ildar D. Khannanov,2024-02-27 The antinomy of musical work and musical form has been central for music theory for centuries Musical work is complete and all inclusive which makes it an ideal object of study However the teaching of musical form albeit selective is self sufficient and epistemologically sovereign The book offers both the historical overview and the analytical discourse on this antinomy in both Western and Russian perspectives It presents an insider's view of the latter and contains materials never previously published

The Humanities, Cultural Roots and Continuities: Three cultural roots Mary Ann Frese Witt,1980 **Theology and the Avett Brothers** Alex Sosler,2023-05-22 The Avett Brothers sing of a spiritual yearning present in modern culture Without

being overtly religious theological underpinnings are prevalent in their music The contributors in this book delve into the Avett Brother s explicit and implicit theology with an eye on how they help make sense of our secular age Theology and the Avett Brothers offers a rich contemplation on how these brothers from North Carolina help listeners navigate the religious consciousness of today s world exploring themes like the good life virtue formation empathy ministry models and dying

The Routledge Companion to the Sound of Space Emma-Kate Matthews,Jane Burry,Mark Burry,2024-11-11 This companion explores a range of conceptual and practical relationships between sound and space across various disciplines providing insights from technical creative cultural political philosophical psychological and physiological perspectives The content spans a wide range of spatial typologies from large reverberant buildings to modest and intimate ones from external public squares to domestic interiors and from naturally formed environments to highly engineered spaces These compiled insights and observations explore the vast diversity of ways in which sonic and spatial realms interact This publication therefore forms important bridges between the intricate and diverse topics of technology philosophy composition performance and spatial design to contemplate the potential of sound and space as tools for creative expression and communication as well as for technical innovation It is hoped that by sharing these insights this book will inspire practitioners scholars and enthusiasts to incorporate new perspectives and methodologies into their own work Through a rich blend of theory practice and critical reflection this volume serves as a valuable resource for anyone interested in exploring the intricacy of relationships between space and sound whether they are students professionals or simply curious Our companion provides a cross section through shared territories between sonic and spatial disciplines from architecture engineering sound design music composition and performance urban design product design and much more The Musical World ,1858
