

Exercise 2. Exercise Assignment 2.2.20 points possible

These assignments focus on the following skills and concepts: importance of legal reasoning, legal research, and analysis. For this assignment you will read the article cited and answer the related questions listed below.

Assignment Questions

1. You must complete all work individually.
2. Submit your written responses to all questions using the standard style guide unless identifying the question number. Your written responses should include complete citation and answer questions that are being asked and will be graded.
3. Answer questions. When you will submit the question, identify the question. You will submit the question that requires the most complex legal analysis. I am not looking for a list of multiple choice questions, rather a demonstration of your understanding of the issue, your best answer to the question. When you submit the question, you will be asked to submit the question to your answer rather than the question of the question.
4. Submit your completed assignment to the appropriate place as provided by Blackboard April 20, 2020 at 11:59 pm.
