pioneering titles pre First World War the underground comix of the 1960s and 1970s fandom in the 1970s and 1980s and the boom of the 1980s and 1990s including graphic novels and Viz Covering comics from the United States Europe and Japan Adult Comics addresses such issues as the graphic novel in context cultural overspill and the role of women By taking a broad sweep Sabin demonstrates that the widely held notion that comics grew up in the late 1980s is a mistaken one largely invented by the media Adult Comics An Introduction is intended primarily for student use but is written with the comic enthusiast very much in mind
