## **Unisa Application Dates For Second Semester 2014:**

Digital Technology and the Contemporary University Neil Selwyn, 2014-05-23 Digital Technology and the Contemporary University examines the often messy realities of higher education in the digital age Drawing on a variety of theoretical and empirical perspectives the book explores the intimate links between digital technology and wider shifts within contemporary higher education not least the continued rise of the managerialist bureaucratic university It highlights the ways that these new trends can be challenged and possibly changed altogether Addressing a persistent gap in higher education and educational technology research where digital technology is rarely subject to an appropriately critical approach Degrees of Digitization offers an alternative reading of the social political economic and cultural issues surrounding universities and technology The book highlights emerging themes that are beginning to be recognised and discussed in academia but as yet have not been explored thoroughly Over the course of eight wide ranging chapters the book addresses issues such as The role of digital technology in university reform Digital technologies and the organisation of universities Digital technology and the working lives of university staff Digital technology and the student experience Reimagining the place of digital technology within the contemporary university This book will be of great interest to all students academic researchers and writers working in the areas of education studies and or educational technology as well as being essential reading for anyone working in the areas of higher education research and digital media research *Technological and Social Environments for Interactive Learning* Jelena Jovanović, Raymond Chiong, 2014-11-03 Technology Enhanced Learning TEL is a very broad and increasingly mature research field It encompasses a wide variety of research topics ranging from the study of different pedagogical approaches and teaching learning strategies and techniques to the application of advanced technologies in educational settings such as the use of different kinds of mobile devices sensors and sensor networks to provide the technical foundation for context aware ubiquitous learning The TEL community has also been exploring the use of artificial intelligence tools and techniques for the development of intelligent learning environments capable of adapting to learners needs and preferences and providing learners with personalized learning experience Recognizing the potential of online social networks social media and web based social software tools as learning platforms for online education the TEL community has devoted significant time and effort into researching how these popular technologies could be combined with appropriate pedagogical approaches to make learning experience more engaging satisfying and successful Among the most important results of these research endeavors are personal learning environments that allow learners to create mash ups of diverse social software tools based on their own needs and preferences as well as to create and maintain their online learning networks Undeniably technological advancement is making education more accessible to an increasing number of people worldwide To fully exploit the huge benefit the technology is offering the TEL community is exploring effective approaches for adapting learning resources to address language generation and cultural specificities Aiming to make learning accessible to all the community

has also focused on the development of solutions for learners with special needs Finally it should be noted that all the above mentioned research efforts of the TEL community are finding their applications in different learning contexts and domains including formal education and informal learning as well as workplace learning in small medium and large organizations Since the scope of TEL research is constantly evolving the above given overview of the current research efforts does not aim to be exhaustive by any means Instead its purpose is to give some insights into the breadth of research topics and challenges that this edited book aims to cover The book comprises 14 chapters which are topically organized into several sections However this division of chapters into sections is not strictly definitive as each of the chapters itself presents a comprehensive research work that often spans across diverse TEL areas and thus could be categorized into more than one section of the book

Community Nutrition for Developing Countries Norman J. Temple ,Nelia Steyn,2016-03-31 Nutrition textbooks used by universities and colleges in developing countries have very often been written by scholars who live and work in North America or the United Kingdom And while the research and information they present is sound the nutrition related health challenges with which developing countries must grapple differ considerably from those found in highly industrialized Western nations The primary aim of Community Nutrition for Developing Countries is to provide a book that meets the needs of nutritionists and other health professionals living and working in developing countries Written by both scholars and practitioners the volume draws on their wealth of knowledge experience and understanding of nutrition in developing countries to provide nutrition professionals with all the information they require Each chapter addresses a specific nutrition challenge currently faced by developing countries such as food security food safety disease prevention maternal health and effective nutrition policy In addition the volume serves as an invaluable resource for those developing and implementing nutrition education programmes With an emphasis on nutritional education as a means to prevent disease and effectively manage health disorders it is the hope of the nearly three dozen contributors to this work that it will enhance the health and well being of low income populations throughout the world

*Pastoral Counseling for Orphans and Vulnerable Children* Tuntufye Anangisye Mwenisongole,Elia Shabani Mligo,2018-04-27 The existence of orphans is as inevitable to most African cities and the world as it is death These orphans are caused by the death of one or both parents due to various reasons including the scourge of HIV and AIDS Being orphans most of them are vulnerable to difficult lives because they have nobody to fend for them and take care of their lives They lack adequate food living expenses school fees and care since their current guardians are also in adverse economic situations In such situations orphans end up living a life of hopelessness and trauma which makes them deeply remember their dead parents and the care they received from them before death Following the vulnerable situation of most orphans this book through a study done in the Tanzanian context challenges churches to extend their counseling and caring ministries to Orphans and Vulnerable Children OVC It purports that the use of narrative approach is the most effective way to enter into the world of vulnerable children in order to provide

pastoral counseling to them This approach helps pastoral counselors to use life stories proverbs biblical narratives plays arts songs riddles poems symbols and images as healing and coping mechanisms for OVC Therefore this book is helpful not only to churches and their ministry to orphans and vulnerable children but also to those who care for orphans in their homes Moreover it will be helpful to children who live in adverse conditions worldwide to find ways to cope with their situations through the stories of children used inside this book      **The High-risk Surgical Patient** Paolo Aseni,Antonino

Massimiliano Grande,Ari Leppäniemi,Osvaldo Chiara,2023-03-07 It is well known that certain diseases and patient conditions are associated with increased perioperative risk The aim of this book is to define and identify the clinical factors that warrant a broader and more detailed assessment of pre operative surgical risk in difficult and unusual clinical settings One of the sections is dedicated to the main pathway of peri and post surgical critical care based on the patient specific deterioration risk and associated diseases here a panel of selected experts describes the correct patient oriented pathways for complex or unscheduled surgical operations in order to reduce the operative risk In addition the book describes the latest trends in minimally invasive surgical techniques that are associated with peri and post operative risk reduction and provides an overview of recent advances in surgical simulation focusing on perspectives in surgical research to increase patient safety Guidance is also provided on extracorporeal membrane oxygenation ECMO Left Ventricular Assist Devices LVADs and their management in patients requiring emergency surgery The book will help surgical trainees recognize cases with the highest surgical risk and identify the most common complications at an early stage      Standards of English in Higher Education Neil

Murray,2015-10-22 The student demographic of universities today has changed quite dramatically from even a decade ago As universities seek to internationalise widen participation and derive attendant reputational and financial benefits along with greater opportunities for research collaborations and industry links they also face a growing challenge associated with what Neil Murray terms the English language question In particular as the proportion of students of non English speaking backgrounds entering universities increases there is growing concern over levels of language proficiency and what this can mean for educational standards the student experience and ultimately institutional standing Standards of English in Higher Education unpacks a number of key and interrelated issues for example the assessment of proficiency and the structure and nature of provision that bear on the question of English language standards and in doing so offers a frank and critical appraisal of English language in higher education today      Grand Ethiopian Renaissance Dam Versus Aswan High Dam
