Transformation of Archives and Heritage Education in Post-apartheid South Africa Geraldine Frieslaar,Olusegun Morakinyo,2023-06-10 Although there have been significant strides to transform the demographics of archive and museum

personnel develop new museums and heritage institutions and heritage training initiatives in post apartheid South Africa the Eurocentric model of the archive museum and heritage sector has largely remained intact Despite the euphoria around the transformation of heritage in the beginnings of post apartheid South Africa it can be argued that the transformation of heritage institutions has been superficial and cosmetic with the ideological foundation of the colonial archive and museum as well as Eurocentric modalities of heritage education remaining solid largely unmoved and under continuing challenge This is the thrust of this book which reflects on the transformation of archives and museum and heritage education in South Africa and argues for meaningful transformation of the sector through a decolonisation from its Eurocentric mooring
