People often ask young children, "What do you want to be when you're older?" Many children aren't sure at all and say things like, "I'll!" "I'll!" "I'll!" be a pilot or maybe "I'll be a police officer!" But, it's different for me because I know exactly which job I want to do. As a child, I was always really interested in teeth and I still am. That's why my dream is to become a dentist. It certainly isn't easy. In the UK, it takes five years to get a degree at university and then you need to do one or two years' practice. Will I get a lot of money when I finish? Yes, I will. But, I'm not going to do it because of that. Becoming a dentist isn't my goal. I just want to be happy!
