

Pocket Date Code Guide

What began as a quality-control tool for Zippo founder George G. Blaisdell has become a collector's dream.

To identify a potential pattern in any run of lighters returned for repair, the bottom of every Zippo lighter was encoded with a series of markings. Since the 1950s, those markings provide a way to accurately date most Zippo lighters. The world-famous guarantee that it works or we fix it free™ still covers every Zippo windproof pocket lighter today. If your Zippo lighter needs repair, send via a trackable method to Zippo Repair Clinic, 1932 Zippo Drive, Bradford, PA 16701. Go to zippo.com or call 814-368-2700 for more information.
