Johnson,2022-10-19 There Is A Doorway is a book by Rick L Johnson on the enlightenment that he has attained from the leading and direction of God s Holy Spirit from the number one source the Bible Like most a lost soul in need of and searching to understand and to find salvation the author has chronicled here his long quest for clarity and knowledge of God from His Word to us the Holy Bible How it had eluded him and how with persistence and God s goodness leading him that he overcame the challenges and hurdles to a fuller understanding through the leadings and the teachings of our Lord and Savior Jesus Christ this is that book **God's Chosen** G. Grace Small,2013

God s Chosen Understanding Spiritual Warfare is a book that inspires encourages and teaches Christians to effectively manage warfare and live victoriously for Christ It offers Christians a fresh look at the basis of putting on God s full armor and learning to use the means God affords namely His strength and mighty power As Believers prepare to fight triumphantly against evil and wicked forces we come to an understanding of the challenge purpose and outcome of spiritual warfare Putting on God s armor and standing firm in Him amply equips us to fight offensively and defensively Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God Through conscious engagement in this fight we win against all odds In 2005 during prayer the Holy Spirit inspired me to write this book on spiritual warfare I was going through a precarious time and as usual I sought God in prayer and study of the Word The Holy Spirit led me to Ephesians 6 10 18 As I studied and meditated God moved me to begin writing on the subject of warfare During research and study I discovered there are not enough books addressing this phase of our journey Therefore I saw the need to press through varied attacks to produce this important work

Jehovah the First Godfather Carlton Marion Morris Jr.,2001-02-21 Through ignorance misunderstanding custom and tradition the Jewish and Christian religions have combined three distinct and individual entities into one being they call God This is contrary to their holy scriptures There are in fact three and individual entities in scripture who are know by this title There is GOD the universal creator the Lord God the creator of man and then there is Jehovah the God of the Jews He is the one we are most concerned about For he was the First Godfather In the book entitled Jehovah the First Godfather an agnostics view of God the Bible and Religion the appropriate scriptures are use to separate and explain the differences between these three entities and to explain the part they play in the creation of the universe the creation of man and the religion of one group of nomads called the Israelites For the lack of an understanding of the where when how why and by whom the universe was created we say that it is the handiwork of GOD He She or It designed created and controls this creation through laws and forces we are just now beginning to understand According to biblical scripture organic life both animal and vegetable were a part of that original design Primitive organic life began before the stars and moon were put into motion Gen 1 11 13 After the formation of the stars moons and planets more advance forms of organic life came into

existence The Bible identifies a few of those the more advanced forms of life One of the species of life created as a part of that original design and may well have originated in the seas of another world was a race of beings identified by Jehovah during his instruction of Moses as the living creature It was a form of life which evolved into an intelligent creative thinking race of beings who became so advanced in their culture civilization science and technology that they began to travel the stars In their travels they stepped down upon many planets Some they tried to colonized The earth was one of those planets That colonization attempt failed In their one of their later visits a few thousand years ago they came to this planet to mine for minerals It was during this time that mankind was created We were naked slaves created to mine for the minerals they desired to wait on and serve them at their leisure Our creation was not by some heavenly or divine power out of love and benevolence but out of commercial necessity We were created by the medical and scientific process of cloning The biblical description of the creation of Eve supports such an hypothesis The description of her creation is much the same as the procedures being used by our doctors and scientists today to create duplicates and modified alternation of many different species of life among them man himself The leader and the authority by which man came into being was the individual identified by Jehovah as the Lord God and by Melchizedek king and high priest of Salem as the Most High God To be the most high god indicates that there must have been lessor beings also identified as gods One of those lessor beings was Jehovah one of the subordinates of the Lord God He is identified in scripture as YHWH Yahweh Ishi Baali and Jehovah Jehovah assumed the title of a god when he convinced Abraham to follow him He did not become a god until he lead the Hebrews into the Sinai wilderness Gods need worshipers temples priests sacrificial offerings gifts and a land to call ones own Jehovah had none of these things until he was able to have Moses lead the Hebrews into the Sinai wilderness This was his first step in establishing his dynasty Once he had the congregation under his control he had taken the first step towards his ambition he had worshipers Next he ordained the tribe of Levi as the priests who would wait on and serve him

The Crucifixion Agron Belica,2009-09-09 In this book Agron Belica offers a fresh interpretation of the momentous events on a hillock beyond the walls of Jerusalem nearly two millennia ago the Crucifixion Belica asks disconcerting questions about the received version of gospel history and gives free rein to his inquisitive nature Many of his ideas and speculations will strike the casual reader schooled in the ancient Biblical Traditions with which they conflict as unhistorical impossible and unbelievable Yet when questioning established premises the impossible may often be shown to be possible as Socrates was fond of doing Mr Belica does not claim to be proving anything except that with some speculation and reinterpretation of the Biblical record and relevant Quranic texts when coupled with a few remarks from Josephus the whole traditional version of the Crucifixion can be seen in a different light Belica throws new ideas and new possibilities at the reader asking only that they be considered Like a barrage of rockets shot into the moonless night sky some flaring more brightly than the others some of his speculations are more plausible than others but all are provocative and worth thinking about His is the first

innovative interpretation of the Crucifixion since Dr Hugh Schonfield looked at it two generations ago Beyond that Belica has taken upon himself the task of redressing the imbalance between the gospel Jesus and the gospel John the Baptist and in our opinion has done so with justice on his side The gospel writers diminished John in order to exalt Jesus and transform him into a superhuman divine entity While their motives are understandable the researcher who seeks to explore unanswered questions and obscure competitors to the demigod they were creating is understandably frustrated and can only mourn the lost evidence This is particularly true for John the Baptist In the New Testament he is a minor figure his purpose is to introduce and validate the mission of his kinsman Jesus as the Messiah Belica asks why was John the Baptist so used by the gospellers and then dismissed to the limbo of silence together with the Essenes who though a considerable presence in the Palestine of the day are not even mentioned by them He was intrigued by that question and began to study the references to John gradually conceiving unprovable but provocative theories His work became known to a mutual friend the author of a number of valuable books and articles on various aspects of Islamica Dr Laleh Bakhtiar who also became interested in John the Baptist and through her I was introduced to him At first I was rather skeptical but was persuaded to look into the historical injustice done to John He is much better served in the Quran than he is in the Bible Having trusted her instincts over the years in such things in my own literary projects and with her continuous encouragement and suggestions I set to work The result of my own inquiry the monograph Rethinking John the Baptist is appended to the present volume Meanwhile Agron Belica continued his own research examining new evidence while elaborating and working out his theories and speculations The results of this work constitute the main portion of this volume that is dedicated to the rehabilitation of the repute and stature of that much neglected prophet John the Baptist known in the Islamic world as Yahya I was pleased to be chosen as his editor and annotator for this book

You Deceived Me Olorunyomi W. Agbajor, 2012-11-12 The book speaks to readers of true Christian hope the kind that can see the promise of life even in the face of despair It honestly

states that marriage can grow to become a burden but that Gods Word offers comfort and encouragement The book speaks of how the false impressions husbands and wives hold of one another become apparent as the gloss wears off of the new marriage but the message of the book as a whole is about the growth that comes after both husband and wife recognize the mutual deception Professor Agbajor lays out the main message of the book in the following words No matter the state of your marriage and emotional disposition right now as you are reading this book I want you to know that your story has not yet arrived at its closing stage There is still hope Even though your life has become an elegiac verse of sorrows and deception Gods Word promises restoration May the words of God as recorded in Joel embrocate your soul like a healing salve rubbed on a wound Coffeehouse Theology Ed Cyzewski,2014-02-27 Theology should breathe life and unity among God s people but today s culture creates a barrier of ignorance and misunderstanding in the study of God Author Ed Cyzewski seeks to build a method for theology that is rooted in a relationship with God and thrives on dialogue **Creatures in the Mist** Gary R. 2000 years there has been a debate about the identity and person named Yeshua Jesus This person lived in the 1st century in Jerusalem and died at the hands of the Jews and Gentiles The Jews rejected his claims that he was the Jewish Messiah foretold by the prophets in their Hebrew Bible After the destruction of the Jewish Temple and the exile of the Jews from their land at 70 A D the nations took hold of Yeshua Jesus as their Christ which in Greek means anointed one The man who was born a Jew in the town of Bethlehem and who became known to many as the long awaited Jewish Messiah Son of God has been lost Jesus is more than a Rabbi
