Leadership Agility Ron Meyer, Ronald Meijers, 2017-09-27 Leadership is about influencing others to move in a certain direction and there are many ways of achieving this influence Each of these leadership styles has its inherent qualities and pitfalls and will be more suited

to specific people and different circumstances The more leaders understand their preferred leadership styles and are able to flexibly switch to the most suitable style given the situation the more effective they will be This book maps out ten sets of opposite leadership styles giving readers the possibility to understand the strengths and weaknesses of both sides and to identify their own current preference The ten leadership style dimensions cover the full range of leadership roles from the leader as coach interpersonal leadership to the leader as organizer organizational leadership as strategist strategic leadership as sense maker leadership and mission and as role model leadership and self Readers are invited to draw up their own leadership development plans which is supported by an interactive App Readers are also challenged to reflect on how they would approach a number of cases after which they can go to an interactive web forum to read how others have responded and engage in a discussion with them Leadership Agility is a useful tool for practitioners in the corporate world as well as business students and emerging leaders

The Roles of Peace and Security, Political Leadership, and Entrepreneurship in the Socio-Economic Development of Emerging Countries Adu-Amanfoh Francis, 2014 The works of contemporary global security and political analysts and experiences from today's highly industrialized nations conclude that the existence of peace and security effective and exemplary political leadership and sustained entrepreneurship are critical ingredients and catalysts for national socio economic development Certainly these ingredients have helped in building the nations of the developed world but how can these ingredients help the nations of the emerging world This book searches for a response and lessons to be learnt Hence the purpose of the book essentially is to examine the roles that peace and security political leadership and entrepreneurship can play in the sustainable socio economic development of emerging countries exemplified by sub Saharan Africa The book first reviews the nature of the emerging world discusses the subject matter in detail and concludes with a compendium of lessons to be learnt by primarily political leaders national security practitioners entrepreneurs and investors and academicians
