

“Why should you be selected for a scholarship? Please describe any academic achievements, community service activities, examples of leadership, or other personal characteristics that make you deserving of this scholarship?”

Because I am a student who puts in a lot of effort and because I am committed to making the most of the opportunity that receiving a scholarship from your organization will give me, I feel that I should be considered for one of the scholarships that your organization offers. In fact, I am a student who not only studies hard academically but also work tirelessly to enhance the quality of life in my local neighborhood by participating in volunteer activities. This is something that I have done consistently since I was little. My view is that education is the most important factor in determining one's level of success, and as a result, I work hard to combine my eagerness to learn with my desire to be of great service to others. In addition, there are a variety of other leadership responsibilities in community groups that I have had in the past. I worked as a programming intern for a company's leadership program from 2009 to 2010. During that time, I was responsible for organizing and planning social activities for the trainees. In addition to that, I currently serve as a member of the Phi Theta Kappa honor society for the online college I attend now. Phi Theta Kappa is the oldest, largest, most selective, and prestigious collegiate honors society for all academic disciplines in the nation. Membership in Phi Theta Kappa is a stamp of excellence offered to the top 7.5% of second semester juniors and the top 10% of seniors and graduate students. PTK also recognizes the academic achievement of college students and provides opportunities for its members to grow as scholars and leaders. By being in this program, I have a chance to become a PTK officer where I'll be attending chapter meetings. And in those meetings, my role would be to maintain a record of chapter events, including photos, flyers, and newspaper articles, for the Chapter Record Book to be presented at regional, state, and international meetings and conventions. Additionally, I have served as the Community Service Chairperson for my local community or hometown. And in this role, I was responsible for planning various community service events, such as blood drives and a monthly cleanup of surrounding neighborhood streets. So therefore, I am very thankful that opportunities such as the one that your foundation is offering to students who, like me, are constantly struggling for the opportunity to obtain an education can be achieved. I will not give up on pursuing my career goals and instead continue to put in long hours of labor. I would love to get a scholarship from your organization so that I can continue my education and work toward my goal of becoming a successful business owner.
