McCoppin,2016-10-13 This examination of the heroic journey in world mythology casts the protagonist as a personification of nature a botanical hero one might say who begins the quest in a metaphorical seed like state then sprouts into a period of verdant strength But the hero must face a mythic underworld where he or she contends with mortality and sacrifice embracing death as a part of life For centuries humans have sought superiority over nature yet the botanical hero finds nothing is lost by recognizing that one is merely a part of nature Instead a cyclical promise of continuous life is realized in which no element fully disappears and the hero s message is not to dwell on death **Southern Michigan All-Outdoors Atlas & Field Guide** Sportsman's Connection,2013-09-01 Sportsman s Connection s Southern Michigan All Outdoors Atlas Field Guide contains maps created at twice the scale of other road atlases which means double the detail And while the maps are sure to be the finest quality you have ever used the thing that makes this book unique is all the additional information Your favorite outdoor activities

Christensen,2023-05-26 I am a pastor I preach Doesn t that make me a pastoral preacher Not necessarily Many preach missional rather than pastoral sermons designed to appeal to the unchurched not the churchd The popularity of regional churches and the global reach of the internet allow preachers to focus their sermons on people they do not know and market a message to an audience they never see Evangelical leaders produce many resources on attractional preaching but who is developing a vision for pastoral preaching David Christensen draws on years of experience to develop a philosophy of pastoral preaching He writes Social media changes the way we preach More and more pastors are preaching clickbait sermons These are sermons designed to get clicks or attract interest rather than teach truth We want catchy titles and clever analogies that will grab people s attention because the digital world is built on attention whatever will get likes or drive outrage However pastoral preaching builds community It is rooted in local soil to the people we know in the place we live We need a philosophy of preaching that shepherds a community of disciples who worship together in one place *Operation Willow Quest* Karlene Blakemore-Mowle,2012-02-01 Peter Delaware is a man on a mission His job is to save Willow Sheldon s delectable but antagonizing butt before she gets herself killed Unfortunately she has no intention of making his job easy Willow Sheldon has a habit of finding trouble As a photojournalist her job has often taken her to some dangerous places but when Peter Del Delaware comes to her rescue suddenly it s no longer the hostile environment posing the greatest threat to her safety On the trail of an elusive weapons dealer Willow is determined to bring the man responsible for the nightmare of her past to justice If in doing so she also gets the scoop of the decade then all the better From the tropics of the south pacific to the jungles of South America these two unlikely allies must learn to let down their defenses in order to make it out alive
