

YALE UNIVERSITY

Prompt: *Students at Yale have plenty of time to explore their academic interests before committing to one or more major fields of study. Many students either modify their original academic direction or change their minds entirely. As of this moment, what academic areas seem to fit your interests or goals most comfortably?*

Since first learning that the mysterious substance that enabled me to turn on the lights and power my toys was actually a real and explainable physical effect, I have been obsessed with electricity. My courses in physics fascinated me, and I have been taking physics courses at my local community college since finishing the curriculum available at my high school. In this why yale essay, I hope to convey my interest in electrical engineering, where I will be able to utilize my love for exploring the physical properties of electricity with the creative ideas to be able to harness its power to improve human quality of life.
