

Swing your branches slow, sweet willow,
Teach us how to live as you
bend without breaking,
weep with swaying grace,
grow roots deep

to mourn with hope
and rest in peace,
bear strength silently
in steady shelter for the vulnerable,
and echo whispers of hallelujah
with the birds singing in your shade.

Willow Tree And Olive:

Willow Tree and Olive Irini Savvides, 2011-08-01 Enough waterwave taffeta for a lifetime of weddings always in apricot matching shoes and a sugared almond under your pillow so you can dream of the man you love Olive laughs wildly and counts the expensive plates as they hit the wall But she can't hide her desperate struggle to piece together a shattered sense of trust Sometimes Olive is embarrassed by her culture and even hates being Greek But as her friend Kerry tells her the rest of the time she harps on as if the Greeks invented everything Olive's parents decide that a change of scene will help her through her inability to handle school family and growing up in general So they send her on a holiday to Greece And it's the Greek determination to survive along with their love of poetry and myth that finally encourage Olive to step out of a past she can no longer face and take on the future *The Pharmacist*, 1874 **The Farmer's Weekly**, 1929 **September**

Mornings Joseph Sener, 2025-06-05 September Mornings is the last of six books that the Holy Spirit wanted me to publish to disseminate His messages to humanity I am His scribe and I conform to His wishes Humanity is God's highest creation on earth God created humans in His own image We are His ambassadors on earth It is His requirement that we live up to His expectations to live a righteous life with justice when we are performing His work on earth It is God's law that the systemic order in life must be maintained fairly and equitably by His creation There is no partiality with God The eternal fabric of life is God's truth God's will runs the fabric of life in the entire universe He governs all life and its existence in His creation from one end of infinity to the other We are His ornaments in His creation with expectations and hopes Divine guidance and care are God conceived to guide the destiny of humanity Humanity's faith in God was unyielding in all ages and kept the human race on the line drawn by God He pulls His creation to Himself like a magnet to maintain order and harmony in His creation He appears to be hidden but your conscious heart knows that He is always present in your life He makes Himself visible by His actions and manifestations on earth and in the universe Honor Him with full dedication and respect You are three dimensional but God is multidimensional so walk and work on His earth with that knowledge God has many properties but the most important ones are His love for His creation and humanity and His mercy to forgive the sins of humanity Mercy is the product of His grace God expects to have a personal relationship with His humanity He sees you and what you are doing on earth at all times You cannot hide from Him He hears you when you speak and He observes what you are doing You cannot hide anything from Him Pray to Him and be thankful for the second chance that He has provided you to undo your sins Learn the purpose of your life on earth and be prepared for life coming after your death on earth We were born to this Second Earth Age to be saved from our sins by the merciful God Almighty the Creator of you and me We are here at this time to learn obey and do things on earth in His Way as He wants not by our ways God the Creator and His Holy Trinity Father Son and the Holy Spirit in three personalities is ONE in essence that is to say He is a real essential entity in permanent existence in the ultimate nature We are the property of God and live on this earth at His pleasure We live in the world only

for Him and His coming kingdom in the Third Earth Age The final days of the end time are steadily approaching one day at a time Soon we all shall answer to the Creator God On that day we will not be on earth to make corrections in our lives We will be up there with Him answering His questions You and I are in this world for a short time and if we have earned God's trust we will come back to be a part of His New Age on New Earth and participate in His new kingdom on earth Finally humanity shall understand that God and His Divine Trinity in the universe of God the Creator is an absolute truth It is a transcendent fundamental spiritual reality The plan for the future has been prepared by Almighty God and His Holy Trinity All shall unfold part by part at every step of the way depending on our level of preparedness and readiness together with our level of maturity Under His will His plan is all good if we can keep it that way May the blessings of God Almighty and His Holy Trinity be upon His humanity and all His creation now and forever
