whole body began to shake and vibrate I heard my wife give a plaintive moan from beside me and I manage to crane my neck with monumental effort and watch as Tricia bucked and gyrated in her own chair And she began to change My eyes flew wide in shock and disbelief as my wife s body shifted before my gaze Her hair shortened changing color as it swept upward Her arms thickened the shirt she wore suddenly growing tight around heavy muscle that strained at the fabric Her face shifted as her jaw squared I swore I could hear bone popping and flesh slithering as her chest flattened I opened my mouth to swear to shout to do anything but all that came out was a low moan as my own body began to shift and swirl about me I watched as my fingers and wrists narrowed growing delicate and more defined My chest swelled pressing against the t shirt I d worn to the office as breasts grew within Hair blossomed down along my shoulders fine and luxurious bobbing in time with my body s thrashing We both stopped writhing at almost the exact same moment dropping back into our seats with heavy panting breaths at the same time My hands trembled as I held them up before my face They were a woman s hands Holy crap Not entirely sure I wanted to I turned to face my wife A handsome man stared back at me with wide frantic eyes wearing my wife s clothes There we go Christina said cheerfully sliding from her desk Now we can start What did you do I said My voice was sweet and melodious I cut off blinking in confusion Oh wow That was crazy The best way to break through your blocks is to see things from the other side the doctor said Experience sex as your polar opposite With myself as your guide of course
