David, 2003 This business policy textbook meets the AACSB guidelines which support a more practical orientation over a theory research based approach. **Strategic Management + Mindtap, 1 Term Printed Access Card + Mike's Bikes Advanced Simulation, 1 Term Printed Access Card**, The Cube of Strategic Management Mihai Putz, 2019-10-16 The Cube of Strategic Management: The Distinctive Advantage of Organizations is a trans-disciplinary book that introduces the author's new business model of the geometrization of management. The author advocates that strategic management has to shift to include a science and technology perspective to not only support business administration but also to make this scientific perspective an inherent part of management strategy building. The book spans the fundamental and the theoretical aspects and advances this new management model in response to the current and future 21st century synergic interconnection needs in addressing management and marketing post-modern strategies. The book is a quintessence of the historical theories of the various 8th fold ideas of management: Taylor, Drucker, Peters, Waterman, Covey and applies them in an innovative new way. The author uses the cube and its 8 corners for the first time to represent 8 forms of the strategic management way of business in that the 8 corners of a cube represent the competitive advantage of any organization. Sustainable Strategic Management W. Edward Stead, Jean Garner Stead, Mark Starik, 2004 This work fills the need for a strategic management text that gives full attention to sustainability and environmental protection.
