Moseley III,2017-03-20 Managing Health Care Business Strategy is the definitive textbook on strategic planning and management for healthcare organizations It offers all the basic information on

strategic planning and management within the unique context of organizations concerned with the delivery and financing of health care. It does this by noting the singular strategic environment in health care, explaining the special procedures and options available to health care organizations and providing real life examples in the form of case studies. It includes not only a description of the basic multi step process of creating and then managing a strategic plan but also a detailed look at the role played by the key business functions: finance, marketing, human resources, information technology and law, as well as specific strategic options: merger, acquisition, reorganization, joint venture and some of the popular tools for analyzing strategic situations: balanced scorecard, Six Sigma, SWOT. **STRATEGIC MANAGEMENT** PRASAD, KESHO, 2015-08-31

The second edition of the book is richer in contents with updated concepts on strategic management. The entire text is restructured and fine tuned to meet the needs of the students pursuing MCom, MBA, PGDBA and identical courses. The book now divided into four parts is focused on providing the readers broad perspectives on formulation of strategy, its processes, implementation as well as evaluation so as to assess its effectiveness. The book brings into fore the learning that a strategy is good if it passes the test of feasibility, acceptability and suitability. Now the text incorporates 44 live cases of successful reputable organizations which have excelled as a result of application of strategic planning, strategic thinking in formulation and implementation of their strategies. Besides references have been made of the practices in 65 successful global companies while discussing the concepts and practices. **NEW TO THE SECOND EDITION** Beginning with an overview of strategic management, the text analyzes important topics such as Environmental, macro and micro factors of the organization which underline success of an enterprise. What develops sustainable competitive advantage in organizations. Eight implementation techniques which are helpful in successful implementation of strategies. Evaluation of strategy and GE McKinsey matrix on measurement of organizational success. Role and traits of strategic leadership for successful implementation of strategy in face of uncertain, turbulent and complex global market.
