Stripped Bare English Edition:

Violeta [English Edition] Isabel Allende, 2023-01-24 NEW YORK TIMES BESTSELLER This sweeping novel from the author of A Long Petal of the Sea tells the epic story of Violeta Del Valle a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century An immersive saga about a passion filled life People ONE OF THE BEST BOOKS OF THE YEAR PopSugar Real Simple Reader s Digest Violeta comes into the world on a stormy day in 1920 the first girl in a family with five boisterous sons From the start her life is marked by extraordinary events for the ripples of the Great War are still being felt even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth Through her father s prescience the family will come through that crisis unscathed only to face a new one as the Great Depression transforms the genteel city life she has known Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country There she will come of age and her first suitor will come calling She tells her story in the form of a letter to someone she loves above all others recounting times of devastating heartbreak and passionate affairs poverty and wealth terrible loss and immense joy Her life is shaped by some of the most important events of history the fight for women s rights the rise and fall of tyrants and ultimately not one but two pandemics Through the eyes of a woman whose unforgettable passion determination and sense of humor carry her through a lifetime of upheaval Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional Dorian Gaudin (English edition) Dorian Gaudin, Kate Sutton, Julien Fronsacq, 2018-10-10T00:00:00+02:00 Dorian Gaudin focuses on the interplay of correspondences between the organic psychical and material worlds Combining performance sculpture and cinema his oeuvre moves back and forth between automation and living systems He mobilizes dislocates and mechanizes in an amalgamation of genres absurdist theater science fiction cinema burlesque and Minimalism In his exhibition at the Palais de Tokyo machines and social rituals visual illusion and physical presence set in motion a mechanism which is also that of the emotions Revealing the capacity of objects to generate narrative and elicit our emotional and intellectual involvement his works remind us of the way fetishization of objects and technology governs our relationship with the world Book Contents Incomparable Theatre The Splendid Ambiguity of Dorian Gaudin s Machines an essay by Kate Sutton The Mechanism of the Emotions interview between Dorian Gaudin and Julien Fronsacq About the authors Kate Sutton is a writer currently based in Zagreb In addition to writing articles and reviews for magazines including Artforum Bidoun Frieze Ibraaz and LEAP Sutton is a regular contributor to Artforum com In 2013 she was recognized with an Art Writers Grant from the Andy Warhol Foundation Julien Fronsacq is a curator at the Palais de Tokyo He curated Dorian Gaudin s solo show A book published on the occasion of Dorian Gaudin s solo show at the Palais de Tokyo 03 02 08 05 2017 **Parzival A Knightly Epic Volume 1 (of 2) (English Edition)** Wolfram von Eschenback, Example in this ebook In presenting for the first time to English readers the greatest work of Germany s greatest medi val poet a few words of introduction alike for poem and writer may not be out

of place The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement of this century seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from a wider public than that of his own day the recognition which it so well deserves Of the poet himself we know but little save from the personal allusions scattered throughout his works the dates of his birth and death are alike unrecorded but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram s greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet s birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Tr hending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook
