Strong Delusion Christianity S Institutionalized Witchcraft:

Strong Delusion Lew White, 2016-11-17 Are you unknowingly practicing witchcraft This book will show that nothing Yahuah commanded is practiced by Christianity Instead everything He told us not to do is what is practiced We have been deceived by teaching authorities given their great power by the dragon Tradition is taught in place of Truth Our investigation centers on learning how witchcraft is employed in unsuspecting ways Witchcraft has been institutionalized through teaching authorities Nicolaitanes It is known by the Greek designation Christianity The proof of this rebellion will awaken millions The best place to hide it is in plain sight A MYSTERY OF INIQUITY secret of lawlessness musterion anomia This book will pull back the curtain where the wizard controls all the machinery unveiling the witchcraft concealed in every camouflaged activity and symbol People have been living in a fantasy of veiled witchcraft Just as Dorothy went from Kansas into another realm ruled by a wizard and witches the knowledge of the Truth awakens us just as the red pill allowed Neo to perceive the Matrix all around him In the real world those who teach us are wizards and witches but in reality are masquerading as messengers of light with titles like pastor nun pope or bishop They hold men s credentials teaching authority to teach error the strong delusion We have all been living in an artificial reality pretending that everything we see and do has real substance The Truth is we ve been beguiled and completely taken in by evil forces that keep the masses hypnotized and captive to a scheme of rebellion witchcraft Are you believing in things that aren t real PSYCHOSIS Psychosis is a loss of contact with reality that usually includes False beliefs about what is taking place or who one is delusions Seeing or hearing things that aren t there hallucinations **The Skeptical Inquirer** ,2000 [The Witchcraft Delusion in New England: More wonders of the invisible world, collected by R. Calef ,1866](#) **Craft Or Christ?** Michael S. Fryer, 2005-01-01 *I HAD TO DIE EXPOSING WITCHCRAFT IN THE CHURCH* Evelyn Murray Drayton, 2004-07-08 In these last days the body of Christ needs to be aware of satanic end time tactics including witchcraft Evelyn believes the body of Christ will experience more of these demonic and fleshly activities in the days ahead She is excited about sharing her testimony and showing you how the power of God prevails over the works of Satan She believes in the gift of prophecy and shares with you how God delivered her from a curse of witchcraft sent her way by a church leader whom she respected and a false prophetess She shares her deliverance experience and how her life was directed through dreams and the prophetic move of God Evelyn knows that once you read this book you will have a different perspective of the prophetic gift as well as demonic operations among church laypersons and church leaders This is a MUST READ book and you would not want to put it down until you have read the entire book *The Devil, Demonology, and Witchcraft* Henry Ansgar Kelly, 1974 **Magic, Witchcraft, Pagans & Christians** Gary R. Varner, 2010-04-18 It was perhaps the most pivotal event in the world s history that the age old practice of magic was destroyed by a religion which would eventually dominate a large portion of the world and wield an incredible amount of power Such an event was not a sudden thing Laws were enacted in ancient Babylon to control black witchcraft and

magic The same incantations and spells used by black witches were not only allowed but encouraged when performed by healers This study is about the continuous practice of magic by pagans Jews and Christians Christians think of Jesus as the Savior of Mankind and the champion of good over evil However the first Christians viewed Jesus in a much different way A bowl dating from the 1st century CE was discovered in 2008 in the underwater ruins of an ancient harbor On the bowl was an engraving interpreted to read by Christ the magician That Jesus was widely regarded as a magician during his time has been quietly and effectively swept under the carpet
