Stronger Forty Days Of Metal And Spirituality:

Stronger Brian Welch, 2010-11-30 New York Times bestselling author Brian Head Welch returns with a raw and unforgettable journey through his life with Christ and the scripture that has helped lead him into deeper intimacy with God. In 2007 Brian Head Welch, the former lead guitarist for the hard rock band Korn, shared the dramatic story of his music drug addiction and miraculous redemption through Jesus Christ in his New York Times bestselling book *Save Me from Myself*. Inspiring and compelling, this book began a new chapter in his life as he acknowledged the mistakes of his past and looked forward to a brighter future with God at his side. Now in *Stronger*, Head continues to share his personal life with an unflinching forty-day devotional of scriptures that have helped him to mold his Christian faith and find light during life's darkest moments. Written with passion and openness, this forty-day journey offers stories from Head's past and present as he speaks candidly about his bouts of depression since finding God, his struggles against the darkness as he's tried to understand his faith, and how through these times of weakness God's written word has been one of the keys to making him stronger than he's ever been. Applying both the Old and New Testaments to every aspect of his life, from his time with Korn to his new solo career to his life-altering decisions to his relationship with his daughter, Head details how no matter what the issue, God has always provided the guidance he's needed to become a stronger person. One part journal chronicling his evolving relationship with God, one part spiritual testament to the undeniable strength of the Bible, *Stronger* is a devotional unlike any other, both a moving tribute to the transformative power of the word and a no-holds-barred look at what it means to give yourself completely to Jesus Christ.

Metaldata Sonia Archer-Capuzzo, Guy Capuzzo, 2021-06-25 *Metaldata: A Bibliography of Heavy Metal Resources* is the first book-length bibliography of resources about heavy metal. Over the decades, the style has changed and diversified, drawing attention from fans, critics, and scholars alike. Scholars, journalists, and musicians have generated a body of writing, films, and instructional materials that is substantial in quantity, diverse in approach, and intended for many types of audiences, resulting in a wealth of information about heavy metal. *Metaldata* provides a current and comprehensive bibliographic resource for researchers and fans of metal. This book also serves as a guide for librarians in their collection development decisions. Chapters focus on performers, musical instruction, discographies, metal subgenres, metal in specific places, and research relating metal to the humanities and sciences, and encompass archives, books, articles, videos, websites, and other resources by scholars, journalists, musicians, and fans of this vibrant musical style.

The War Within Josif Wright, 2019-07-08 Drug addiction is terrifying. Drug addiction is gut-wrenching. Drug addiction is all-consuming, not only for the addicted person but also for family and friends. Written from a dad's perspective, *The War Within My Story* is a book about addiction and a family thrown into the horrifying situation of dealing with it in the best way that they know how. Because of chronic pain and a series of bad choices,

Ryan and his family found themselves in the midst of a war to save Ryan from the demons of addiction chasing him. Follow Ryan's dad Josif as he crossed one hurdle after another to save his son. There were times when Josif was weak and weary but faith, hope, and love kept him from giving up. Yes, this book is about addiction, but make no mistake: it is ultimately about faith, hope, and love—the faith that Jesus would see them through the struggle, the hope that He would crush the binding chains of addiction, and a dad's love that wouldn't give up on his son.

Rising to prominence in 1994 on the back of their eponymous debut album, Korn ushered in a new sound within heavy metal which many would try and imitate in the years that followed. Still firing on all cylinders after three decades, Korn continues to produce powerful and accessible anthems in the present day. *Korn On Track* covers all the band's studio releases thus far, from their 1993 demo tape *Neidermayer's Mind* to their thirteenth studio album *The Nothing* released in 2018.
