

Shakespeare Poetry: Sonnet 18

Shall I compare thee to a summer's day?
Thou art more lovely and more temperate:
Rough winds do shake the darling buds of May,
And summer's lease hath all too short a date:
Sometime too hot the eye of heaven shines,
And oft is his gold complexion dimmed;
And every fair from fair sometime declines,
By chance or nature's changing course untrimmed;
But thy eternal summer shall not fade,
Nor lose possession of that fair thou ow'st;
Nor shall bright day from this season be
Excluded; when in you the bud's grow
To long to see you breathe in eyes not seen,
So long live this, and this gives life to thee

Teaching Literature Rhetorically Jennifer Fletcher, 2023-10-10 English language arts teachers often find themselves defending their discipline and the practical values it has. When will I read this again is an all too common question heard in classrooms. Author Jennifer Fletcher faced the same questions and more. In *Teaching Literature Rhetorically: Transferable Literacy Skills for 21st Century Students* she shows you how to help your students develop transferable literacy skills that allow them to succeed not just in their English language arts classes but in their future lives and careers. The book is built around eight high utility literacy skills and practices that will help students communicate effectively and with confidence as they navigate important transitions in their lives: Integrating skills and knowledge from texts, Reading closely and critically, Assessing rhetorical situations, Negotiating different perspectives, Developing and supporting a line of reasoning, Analyzing genres, Communicating with self and others in mind, Reading and writing with passion. *Teaching Literature Rhetorically* offers readers writing prompts, readings, discussion questions, graphic organizers, as well as examples of student work and activities for helping students to understand key rhetorical concepts. As Fletcher writes in her introduction, rhetorical thinking promotes the transfer of learning, the single most important goal we can have as teachers if we hope to have a positive impact on our students' lives. This book will help teachers everywhere do just that.
