The Complete Aeschylus : Volume II: Persians and Other Plays Aeschylus, Peter Burian Professor of Classical and Comparative Literature and Theater Studies Duke University, Chapel Hill Alan Shapiro Distinguished Professor of English and Creative Writing University of North Carolina, 2009-02-17 Based on the conviction that only translators who write poetry themselves can properly re create the celebrated and timeless tragedies of Aeschylus Sophocles and Euripides the Greek Tragedy in New Translations series offers new translations that go beyond the literal meaning of the Greek in order to evoke the poetry of the originals The volume brings together four major works by one of the great classical dramatists Prometheus Bound translated by James Scully and C John Herrington a haunting depiction of the most famous of Olympian punishments The Suppliants translated by Peter Burian an extraordinary drama of flight and rescue arising from women's resistance to marriage Persians translated by Janet Lembke and C John Herrington a masterful telling of the Persian Wars from the view of the defeated and Seven Against

Thebes translated by Anthony Hecht and Helen Bacon a richly symbolic play about the feuding sons of Oedipus These four tragedies were originally available as single volumes This new volume retains the informative introductions and explanatory notes of the original editions and adds a single combined glossary and Greek line numbers *The Sociology of Terrorism* Michael Blain,2009 This book is a compilation of previously published studies on the role of culture and language in political violence and terrorism These studies have contributed to a paradigmatic shift in sociological thinking about language and culture in politics particularly in regard to the genesis and dynamics of violence and terrorism Blending ideas derived from Michel Foucault and Kenneth Burke this book is unique in its range of focus from detailed studies of specific cases of violence and terrorism to peace movements in resistance of violence war and terrorism **Martin Luther King, Jr** John J. Ansbro,2000 From the New York Times bestselling author of *If I Stay* Allyson Healeys life is exactly like her suitcase packed planned ordered Then on the last day of her three week post graduation European tour she meets Willem A free spirited roving actor Willem is everything shes not and when he invites her to abandon her plans and come to Paris with him Allyson says yes This uncharacteristic decision leads to a day of risk and romance liberation and intimacy 24 hours that will transform Allysons life A book about love heartbreak travel identity and the accidents of fate *Just One Day* shows us how sometimes in order to get found you first have to get lost and how often the people we are seeking are much closer than we know The first in a sweepingly romantic duet of novels Willems story *Just One Year* is coming soon *Island of Tears, Island of Hope* Niall O'Brien,2005-05-25 In his acclaimed memoir *Revolution from the Heart* O'Brien described his personal journey as a priest and the steps that led him to share the struggle and the fate of the poor on the island of Negros in the Philippines In *Island of Tears Island of Hope* he wrestles with the form that commitment ought to take The desperate plight of Negros sugar workers cries to heaven for revolutionary change But what are the appropriate means for Christians While weighing the church's traditional defense of violence in a just cause O'Brien outlines a case for active nonviolence In focusing on the dilemma before him he speaks to all Christians living in a world of revolution *Hijacked!* Clarence Washington Sr.,2021-06-24 In this four volume series *Hijacked* How Dr King's Dream Became a Nightmare author Clarence Washington Sr dissects Dr Martin Luther King's dream and explores how our failure to adhere to its principles has allowed the dream to be hijacked and turned to a nightmare and it's time to wake up In the third volume of the *Hijacked* collection *The Nightmare* the author details the devastating destruction of the lives of an enormous number of poor disadvantaged and middleclass people This represents the destruction of the American way of life as a direct result of the hijack of Dr King's dream a dream that is so inseparably connected to the American dream Today America could be depicted as a waning great person who is standing on the edge of a tall building at the top of the world looking around in deep contemplation not knowing exactly what to do next If the winds of change blow too hard this wavering person could lose their focus fall and plunge to their death never again to regain their greatness To step back from the edge we must all do our part to make King's dream a reality

instead of watching it morph into something dark The Nightmare is an exposition of the tragic evidence of America's imminent loss of her exceptional nation status and the opportunity to make Dr King's dream a reality For the full dissection of Dr King's dream and how our failure to adhere to its principles has led to a nightmare explore the other volumes in Hijacked How Dr King's Dream Became a Nightmare Other volumes in this series focus on the dream the hijack itself and how we can recover

World Christianity and Interfaith Relations Richard F. Young, 2022 World Christianity and Interfaith Relations makes the case that religion is not partitioned off from the secular in the Global South the way it is in the Global North Rather religion is deeply integrated into the lives of those in the Global South even though secularism officially predominates

"Making a Way Out of No Way" Wolfgang Mieder, 2010 In barely forty years of life Martin Luther King 1929-1968 distinguished himself as one of the greatest social reformers of modern times civil rights leader defender of nonviolence in the struggle of desegregation champion of the poor anti-war proponent and broad-minded visionary of an interrelated world of free people His many verbal and written communications in the form of sermons speeches interviews letters essays and several books are replete with Bible proverbs as Love your enemies He who lives by the sword shall perish by the sword and Man does not live by bread alone as well as folk proverbs as Time and tide wait for no man Last hired first fired No gain without pain and Making a way out of no way He also delighted in citing quotations that have become proverbs to wit No man is an island All men are created equal and No lie can live forever King recycles these bits of traditional wisdom in various contexts varying his proverbial messages as he addresses the multifaceted issues of civil rights His rhetorical prowess is thus informed to a considerable degree by his effective use of his repertoire of proverbs which he frequently uses as leitmotifs or amasses into set pieces of fixed phrases to be employed repeatedly

Power, Discourse and Victimhood Ritual in the War on Terror Michael Blain, 2016-04-08 Blending concepts from dramatism such as victimhood ritual with Foucault's approach to modern power and knowledge regimes this book presents a novel and illuminating perspective on political power and domination resulting from the global war on terrorism With attention to media sources and political discourse within the context of the global war on terror the author draws attention to the manner in which power elites construct scapegoats by way of a victimhood ritual thus providing themselves with a political pretext for extending their power and authority over new territories and populations as well as legitimating an intensification of domestic surveillance and social control A compelling analysis of ritual rhetoric and political violence Power Discourse and Victimhood Ritual in the War on Terror will be of interest to sociologists political theorists and scholars of media and communication concerned with questions of surveillance and social control political communication hegemony foreign policy and the war on terror

The Elgar Companion to War, Conflict and Peacebuilding in Africa Geoff Harris, 2024-02-12 This dynamic Companion brings together esteemed academics from across the globe to provide ten distinct approaches to peacebuilding in Africa With a timely and forward-thinking approach to war and conflict the book focuses on the utilisation of traditional African dialogue

in contemporary peacebuilding developing infrastructures and education for peace with a transformative agenda

Christianity Amidst Apartheid Martin Prozesky, 1990-03-15 This book contains chapters by 14 prominent figures offering information on key issues concerning the Christian faith in South Africa Three quarters of South Africans regard themselves as Christians The story of the gospel of love and its interplay with politics is the theme pursued here Conscious Acts and the Politics of Social Change Robin L. Teske, Mary Ann Tétreault, 2000 **The Devil's Garden** Brady

Christianson, 2012-11-11 After years of enjoying the quiet civilian life former Recon Marine Brandon Colson still has a large price on his head only his family doesn't know it That is until heavily armed terrorists break into his house and try to kill him and his family After swiftly dispatching the would be assassins Colson realizes the ghosts from his past have somehow managed to come back to haunt him His identity a secret until now has been mysteriously compromised Something he did years ago has kept anger burning in the hearts of powerful Arab adversaries With his family in hiding Colson and local detective Sam Collier set out to locate and neutralize the remainder of the terrorist cell **Life and Ideas** Errico

Malatesta, 2015-03-15 With the timely reprinting of this selection of Malatesta's writings first published in 1965 by Freedom Press the full range of this great anarchist activist's ideas are once again in circulation Life and Ideas gathers excerpts from Malatesta's writings over a lifetime of revolutionary activity The editor Vernon Richards has translated hundreds of articles by Malatesta taken from the journals Malatesta either edited himself or contributed to from the earliest L'En Dehors of 1892 through to Pensiero e Volontà which was forced to close by Mussolini's fascists in 1926 and the bilingual Il Risveglio Le Réveil which published most of his writings after that date These articles have been pruned down to their essentials and collected under subheadings ranging from Ends and Means to Anarchist Propaganda Through the selections Malatesta's classical anarchism emerges a revolutionary nonpacifist nonreformist vision informed by decades of engagement in struggle and study In addition there is a short biographical piece and an essay by the editor *Startling Figures* Michael O'Connell, 2023-08-01 Startling Figures is about Catholic fiction in a secular age and the rhetorical strategies Catholic writers employ to reach a skeptical indifferent or even hostile audience Although characters in contemporary Catholic fiction frequently struggle with doubt and fear these works retain a belief in the possibility for transcendent meaning and value beyond the limits of the purely secular Individual chapters include close readings of some of the best works of contemporary American Catholic fiction which shed light on the narrative techniques that Catholic writers use to point their characters and their readers beyond the horizon of secularity and toward an idea of transcendence while also making connections between the widely acknowledged twentieth century masters of the form and their twenty first century counterparts This book is focused both on the aspects of craft that Catholic writers employ to shape the reader's experience of the story and on the effect the story has on the reader One recurring theme that is central to both is how often Catholic writers use narrative violence and other similar disorienting techniques in order to unsettle the reader These moments can leave both characters within the stories

and the readers themselves shaken and unmoored and this O Connell argues is often a first step toward the recognition and even possibly the acceptance of grace Individual chapters look at these themes in the works of Flannery O Connor J F Powers Walker Percy Tim Gautreaux Alice McDermott George Saunders and Phil Klay and Kirstin Valdez Quade *All of Us Atoms* Holly Dawson,2025-05-08 You tell me we are made of seven billion billion billion atoms I can feel every one of them as I write this all down It s a rush to feel that like falling in love Remembering is like falling in love with you with us again and again What makes us who we are What stories do we inherit and leave behind Faced with the prospect of losing her memory a writer revisits the moments that changed her from childhood to motherhood loss and ill health Through shifting pronouns and perspectives moving across place and time each piece twists the kaleidoscope of existence to make sense of the present through the past From the opening battle between her brain and her body a conversation emerges between her collection of selves the Daughter the Sister the Dancer the Gardener the Mother the Girl Who Read Woolf Reliving her journey of becoming she unpicks the fabric of fact and experience to stitch a new tapestry of personhood both real and imaginary mundane and profound All of Us Atoms offers a tender portrait of the tension between our drive to make sense of things and the freedom that comes from throwing categories away It heralds the arrival of a major new literary voice urging us to reframe and reclaim our own stories and revel in our mutable messy multitudinous selves **Reducing Risks for Mental**

Disorders Institute of Medicine,Committee on Prevention of Mental Disorders,1994-01-01 The understanding of how to reduce risk factors for mental disorders has expanded remarkably as a result of recent scientific advances This study mandated by Congress reviews those advances in the context of current research and provides a targeted definition of prevention and a conceptual framework that emphasizes risk reduction Highlighting opportunities for and barriers to interventions the book draws on successful models for the prevention of cardiovascular disease injuries and smoking In addition it reviews the risk factors associated with Alzheimer s disease schizophrenia alcohol abuse and dependence depressive disorders and conduct disorders and evaluates current illustrative prevention programs The models and examination provide a framework for the design application and evaluation of interventions intended to prevent mental disorders and the transfer of knowledge about prevention from research to clinical practice The book presents a focused research agenda with recommendations on how to develop effective intervention programs create a cadre of prevention researchers and improve coordination among federal agencies **Math and Architectures of Deep Learning** Krishnendu Chaudhury,2024-05-21 Shine a spotlight into the deep learning black box This comprehensive and detailed guide reveals the mathematical and architectural concepts behind deep learning models so you can customize maintain and explain them more effectively Inside Math and Architectures of Deep Learning you will find Math theory and programming principles side by side Linear algebra vector calculus and multivariate statistics for deep learning The structure of neural networks Implementing deep learning architectures with Python and PyTorch Troubleshooting underperforming models Working code
