A poetic story rhyme that is a compilation of scripted youthful times Within these pages is a shard from a greater story that
chronicles the legacy of characters meant for the entertainment each individually purposed for a grand design And as the
wheels of fate turn each character will play their part unable to understand the greater role they partake in within the great
theatrics of the world play Each figure within this are pulled from historical sources past and present with subtle liberties to
flesh out the true nature of their character So as disparate destined paths cross into the other and intersect the fiery
ambition they posses will become their sword while the purity of their immortal soul will become their shield individually
designed to protect a sincere dream while defending their outer shell from being torn away from this mortal coil And as each
soul delves beyond the grip of the unfamiliar of their opening acts a threshold would demand to be crossed as they
individually with warm hearts and open minds yearn for meaning as they individually await a glimpse of their true purpose
