Luke Cage's father, Robert Cage, was a military doctor who died saving civilians from the threat of a terrorist explosion. It was this act which inspired Luke to join the army himself, to fight against terrorism. But after an encounter with Colonel Galt, Luke realized the American military was not the path for him.

Luke went on to join a PMC (private military company) called Buckler Security Services, and would eventually end up in the nation of Haystack, protecting that nation while he visited his father, Ken Masters. When Ken was framed for terrorist acts in the country, Luke brought into the deception, but he never ditched his duties to take care of that. Luke would eventually learn the truth - that Ken was set up to take the fall for the crimes of J.R.

Luke also used his elite military background to teach close-quarter combat, a service Buckler offers to the general public at a gym in Miami City. Luke has taught many students, including Frank, Nico and his brothers who help Luke break in his business.

Luke is always looking for ways to turn his physical skills into income. In the past he worked wrapping cars, the days off are spent eating and food, playing video games, customizing PCs, and fighting. Make no mistake - Luke plays to win.

FIGHTING STYLE

Luke is a mixed martial artist whose fighting skills have been supplemented by his military training. He is always looking for an opening to punish his opponents with a hailstorm of speedy punches and kicks.
