Financial Accounting with International Financial Reporting Standards Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-07-18 While there is growing interest in IFRS within the US interest outside the US has exploded Weygandt's fourth edition of Financial Accounting IFRS highlights the integration of more US GAAP rules a desired feature as more foreign companies find the United States to be their largest market The highly anticipated new edition retains each of the key features e.g. TOC writing style pedagogy robust EOC on which users of Weygandt Financial have come to rely while putting the focus on international companies examples discussing financial accounting principles and procedures within the context of IFRS and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars [Accounting Principles](#) Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-02-28 Weygandt's Accounting Principles continues to provide students with a trusted and clear introduction to fundamental accounting concepts which has made this best selling text so popular Helping students get the most out of their accounting course by making practice simple the new edition continues to present the accounting cycle from a sole proprietor perspective whilst providing the latest IFRS integration throughout separate references to GAAP are made at the

end of each chapter for courses where needed To maximise student achievement a plethora of additional teaching and learning resources will be available including self tests exercises templates videos and more Using metric units and companies with a more global feel this new text is ideal for courses across the world
