Hearing the Still Voice of God and Being Sensitive to Him Jessica Alexis Rosas, 2019-08-28. Hearing the Still Voice of God and Being Sensitive to Him is a book inspired by the Lord to help you recognize his voice. Sometimes we complain that he never speaks or that we never hear him in desperate times, but one thing we need to ask ourselves is: are we listening? Are we recognizing who is speaking to us? Can we hear our Father's voice clearly? This book will help you learn how to discern God's voice from the enemy's voice, because as 2 Corinthians 11:13-15 says, even Satan comes as an angel of light to deceive us, so it is important we know who is speaking to us and why. In these end times, it is very critical that we start listening to the instructions God is giving to us. The Lord speaks in many beautiful ways, which this book will dive into, and you will learn how to quickly recognize and hear his still voice. This book will help you discern the spirits around you that will help you become more aware of the enemy's tricks. This book is also a spiritual guide to help you grow and understand the spiritual world around you. Hearing the Still Voice of God and Being Sensitive to Him is for all ages who are seeking the presence of God at a deeper and more intimate level. Be ready to learn, be corrected, grow, and receive all that God is speaking to us in these last days. Have a humble heart and hear the still voice of God.

Identifying Your Gifts and Service Henry Neufeld, 2005-03. This book provides a process for discovering and activating spiritual gifts in your congregation. It is not a typical scientific survey designed to discover what kind of personality you have, what you feel like doing, or even what your talents are. Instead, it is a process designed to help a church congregation discover God's gifts and leading in their lives. In going through this process, you will be invited to shake off some of the walls and limitations you have placed on yourself and open yourself up to the full call that God has on your life. Discovering and using your Spiritual Gifts is an adventure.
