Ecclesiastes has been a great inspiration on popular music including the song Turn Turn Turn by The Byrds the Pink Floyd album The Dark Side of the Moon and Desperado the 1973 hit by The Eagles among others Paul Simon once advised a young prospective lyricist to raid the Bible for memorable phrases Just steal them he said That s what they re there for There s no question that Scripture has influenced music since the first ever song was penned In Turn Turn Turn author and music connoisseur Steve Turner takes an in depth look at the lyrics and cultural context of 100 of the greatest songs from the 1930s to today to reveal an often overlooked or ignored strand of influence in popular music the Bible Indeed some of the greats including Bob Dylan Leonard Cohen Bono Johnny Cash Sting and others have repeatedly returned to the Bible for such sustenance as well as musical inspiration and a framework with which they can better understand themselves I hope the book prompts provokes and intrigues as it reveals this often hidden history writes Steve Turner You ll never listen to your favorite song or popular tune the same way again after discovering how the Bible has influenced music **Spirituals for**
