

The background of the entire image is a dark, atmospheric illustration of a city street at night. The street is wet and reflective, mirroring the red and orange light from the sky. Tall, dark buildings line both sides of the street, their windows glowing with faint lights. In the center of the street, a lone figure stands with their back to the viewer, looking down the road towards a bright, glowing horizon. The overall color palette is dominated by deep reds, oranges, and blacks, creating a sense of mystery and foreboding.
