Roufs, Kathleen Smyth Roufs, 2014-07-29 From apple pie to baklava cannoli to gulab jamun sweet treats have universal appeal in countries around the world This encyclopedia provides a comprehensive look at global dessert culture Few things represent a culture as well as food Because sweets are universal foods they are the perfect basis for a comparative study of the intersection of history geography social class religion politics and other key aspects of life With that in mind this encyclopedia surveys nearly 100 countries examining their characteristic sweet treats from an anthropological perspective It offers historical context on what sweets are popular where and why and emphasizes the cross cultural insights those sweets

present The reference opens with an overview of general trends in desserts and sweet treats Entries organized by country and region describe cultural attributes of local desserts how and when sweets are enjoyed and any ingredients that are iconic Several popular desserts are discussed within each entry including information on their history their importance and regional cultural variations on preparation An appendix of recipes provides instructions on how to make many of the dishes whether for school projects or general entertaining

Uncovering the Truth About Meriwether Lewis Thomas C. Danisi, 2012-02-07

The critically acclaimed biography Meriwether Lewis coauthored by Thomas C Danisi was praised for its meticulous research and for shedding new light on the adventurous life and controversial death of the great explorer who became famous through the Lewis and Clark Expedition Now the author with some help from contributors extends his groundbreaking studies of Meriwether Lewis with this compilation of historical essays that offers new findings based on recently discovered documents tackling such intriguing subjects as The court martial of Meriwether Lewis Danisi's discovery of the astonishing never before published transcript of the entire court martial proceedings affords him the distinction of being the first historian to mine the document for the many insights it offers into the then untested twenty one year old officer who eloquently defended himself and won his case Documentation straight from the medical ledgers of Dr Antoine Saugrain the physician who treated Governor Lewis which helps to confirm that Lewis suffered from malaria prior to his celebrated trek to the Pacific Ocean with the Corps of Discovery and continuing through his service as governor of the Louisiana Territory Was Lewis's death as reported the result of suicide or was he merely a victim of this episodic and incurable disease Documentation that proves the true nature of the much discussed Gilbert Russell Statement given at the court martial of General James Wilkinson Some historians have argued that Wilkinson orchestrated Lewis's murder but Danisi's research sets the record straight The role of Major James Neelly in Lewis's last days This subject has gained much prominence through the History Channel according to which Neelly supposedly lied to President Thomas Jefferson about his presence at Meriwether Lewis's burial but Danisi has evidence to the contrary The author presents an abundance of additional material to fill in previous historical gaps regarding the mysteries and controversies surrounding Lewis's life and death In doing so he paints a vivid picture of the brilliant rise of an ambitious young man by virtue of courage talent and political connections and the tragic fall of a conscientious public servant under the weight of chronic illness bureaucratic pettiness and the political intrigue that was rampant throughout America's Wild West This superb contribution to Meriwether Lewis research is a must read for students and scholars of American history and anyone with an interest in one of our nation's most important explorers and public servants
