Three Company Credit Report:

Discover the Secrets and Power of Business Credit Rev. Victor Allen, 2019-10-01 This book will help a person with a plan yet funding caused everything to come to a complete stop It will also help someone bridge the distance between ambition and destiny I sometimes look at it as my bridge to fulfill my purpose in life I feel that knowledge is power So many people don't understand financial institutions I feel I need to share the information with people to help someone I found myself in this position after I graduated from college I had a degree but no job I had goals and ambition to get to that point in life I just didn't understand how to get my plan funded past this point I had 65 000 dollars in debt from loans in college so my social security number was just a little over leveraged I had no idea what an EIN number was at the time I realized I had an IT degree but I needed a business financial mentor This book explains what I learned of the next few years to drive my net worth over a million dollars I have streamlined the process for people now AllenRevenueSolutions.com I have the entire process step by step for anyone in this position in life Many people have a plan but can't get the money to get it started I just simply want to help these people reach their goals which I call their divine destiny in life Credit Repair

IntroBooks, 2018-02-19 Credit reports have a huge financial impact on our lives Chances are you may not have heard about it because many people end up accepting their credit reports to be entirely accurate Unfortunately that is not always the case Reports are generated with the help of data collected from different companies Keeping human error in mind and the chances of a machine showing wrong data there is a possibility that the information fed in your credit report may not be 100 percent accurate If you have any errors in your report you may end up with a bad credit report which can keep you from getting a loan or paying a higher premium or more interest For many people credit report is a matter of esteem A bad credit report can lower their prestige and many of them choose not to disclose about it or to try and figure how to solve it themselves but with less understanding of how credit reports work they give up after some time The Fair Credit
