Tent Life Sebastian Antonio Santabarbara, 2023-04-13 *Tent Life* introduces you to 34 inspirational people from across the globe who've made camping part of their lifestyle and provides you with the tools to do the same. What's the appeal of pitching a tent and sleeping under the stars? Tried it yourself and felt inadequate and underprepared? The campers in this book can show you how to pitch up in style. From intrepid woodsmen with enviable survival skills to low key surfers chasing the perfect wave solo travellers in single person hammocks to family groups in extravagant bell tent setups for these aficionados camping is pure pleasure a way to connect with nature an antidote to modern life. And unlike most of us they know how to do it properly. Supported by Instagram worthy photography interviews with each contributor bring out their unique and inspirational approach to camping their most memorable experiences and challenges and the camping tips they couldn't live without. Listed with each entry the book will also provide advice on how to achieve the camping style yourself and suggests worldwide destinations that provide a similar setting giving you the inspiration and tools to plan your next trip. With enviable camping setups stories that will give you wanderlust stunning locations and top advice from the experts *Tent Life* is the perfect companion and guide for any wannabe camper

The Good GP Training Guide Matt Burkes, Alec Logan, 2014-06-02 *The Good GP Training Guide* is a travel guide style book for trainees in general practice. Written by over a hundred contributors assembled from five continents it includes contributions from leading writers in primary care. It is written in an accessible style with down to earth tips and anecdotes sometimes irreverent from real life. There is an emphasis on the reality of general practice. It also contains humorous or touching vignettes with accompanying linocut artwork from the Red Roses exhibition. The book's first section covers hospital placements. It is intended to show trainees how to get the most out of their training posts. Beginning with basic information on behaviour required in the hospital setting there are chapters looking at cardiology ophthalmology rheumatology etc. These chapters are split up into handy lists covering the basics tips on patients and PDP pointers. The second section covers GP rotations. It gives information on passing the various RCGP exams as well as realistic advice on other facets of general practice. The third section looks at finding a job and making the transition to an independent practitioner. Options for broadening a doctor's career are looked here with chapters on event medicine academia teaching etc. There is information on how to stay out of trouble and how to use social media safely and without running foul of the GMC. The book offers the ultimate guide to the training process. It covers the entire training experience and the practicalities of what comes after
