

tiamo makes work a pleasure

Your new workplace

The modern user interface makes it easy for you to familiarize yourself with *tiamo*. All the commands and controls are to be found where you expect them to be.

The *tiamo* bar allows direct access to the four program parts of *tiamo*:

- Workplace
- Database
- Methods
- Configuration

These buttons may be visible or concealed, depending on the user's access rights.

The information windows are in the center. In the run window you can comfortably enter all the sample data, whether for a single sample or for a whole sample series.

The live display window informs you about freely definable method instructions and shows the live curve during the titration. The method window provides information about the current method status. If necessary, you have live access to the method parameters. In the report window you can view the current reports of the last determinations.
