Impact and Role of Digital Technologies in Adolescent Lives Malik, Shaveta, Bansal, Rohit, Tyagi, Amit Kumar, 2021-11-26 Digital technology covers digital information in every form The world lives in an information age in which massive amounts of data are being produced to improve our daily lives This intelligent digital network incorporates interconnected people robots gadgets content and services all determined by digital transformation The role of digital technologies in children s adolescent

s and young adult s lives is significantly increasing across the world New and emerging devices and services promise to make their lives easier as they create new ways of connecting creating and relaxing They also promise to support learning at home and school by enabling ready access to information and new and exciting pathways for young people to follow their interests Yet alongside these conveniences come trade offs with implications for privacy safety health and well being Impact and Role of Digital Technologies in Adolescent Lives provides a deeper understanding of how digital technologies impact the lives of children adolescents and young adults this includes the navigation of developmental tasks and the issues faced when utilizing these technologies Covering topics such as adolescent stress cyberbullying intellectual disabilities mental health obesity social media and mindfulness practices this text is essential for sociologists psychologists media analysts technologists academicians researchers students non government and government organizations and professors A School in Africa A. Megahey,2005-06-09 When Peterhouse School opened in 1955 the British Empire in Africa was still intact and the Federation of Rhodesia and Nyasaland had just come into being It was a boarding school founded on the British model but with the intention that it would adapt all that is best in the Public School tradition to African conditions The story of Peterhouse is not only about work and sport music and drama chapel and syllabus changes It is set in the context of educational development and political changes in a Southern Africa country The school became a pioneering multi racial institution in white Rhodesia shared the sufferings of the country during the bush war expanded greatly in the new Zimbabwe survived the contradictions of a black Marxist government and has kept its firm commitment to being a Church School Despite the uncertainties and challenges of the new century this is a story of faith and vision *Moto* ,2003 **Beyond the Enclave** Godfrey Kanyenze,Timothy Kondo,2011-07-26 Beyond the Enclave sets out to unravel the contradiction of a country Zimbabwe where a rich diverse resource base co exists with endemic poverty One reason lies in the colonial economy which was predicated on an ideology of white supremacy creating an enclave formal economy employing one fifth of the labour force Yet over three decades after independence the non formal segment has become even more entrenched This book assesses Zimbabwes economy through three main phases 1980 90 when a strong social policy framework proved difficult to sustain due to erratic growth and 1991 96 when structural adjustment demanded a market driven approach to development The third phase is characterized by crisis management leading to policy inconsistencies and reversals Not surprisingly such incoherence saw the economy descend into hyperinflation and paralysis in 2007 2008 leading to the signing of the Global Political Agreement in September 2008 In the absence of formal dollarization economic recovery after the adoption of the multi currency regime has remained fragile leaving an estimated 70 per cent of the population outside the banking system This has further entrenched uneven enclave growth as the economy remains locked in a low income poverty trap There is a need to facilitate transition towards formality to promote decent jobs Furthermore a strategic developmental role for the state in the economy is now widely recognized as vital for development Beyond the Enclave argues for a new approach to development in

Zimbabwe based on pro poor and inclusive strategies which will contribute to the well being of all of its citizens and wise stewardship of its resources It offers suggestions on policy formulation implementation monitoring and evaluation in all sectors designed to promote inclusive growth and humane development Misogyny across Global Media Maria B.

Marron,2021-03-01 Misogyny across Global Media argues that although women s experiences under misogyny are by no means universal patriarchal social and institutional systems facilitate gender based hostility across the globe Contributors demonstrate how systemic misogyny and power inequities are at the root of women s suffering at the hands of misogyny with consequences ranging from sexual harassment to rape and even murder This book provides an interdisciplinary overview of systemic misogyny worldwide analyzing specific cases such as the controversial Child Marriage Act in Bangladesh sexual harassment in India s Bollywood culture rape culture among military forces in Jammu and Kashmir the murder of female students in Kenya and femicide in Turkey This collection discusses how misogyny creates a clash of cultures between men and women the powerful and the oppressed and the conservative and the liberal and uncovers the evils that are perpetrated against women worldwide as a result of systemic misogyny Scholars of gender studies media studies and cultural studies will find this book particularly useful *Teacher in Zimbabwe* ,2014 Global Perspectives on Teacher Performance
