Ghana's Foreign Policy Charles Asante,2024-08-19 Ghana s Foreign Policy Kwame Nkrumah s Normative Legacy and Pan Africanism examines Ghana s foreign policy in the post independence era focusing on the enduring legacy of Kwame Nkrumah This book also analyzes the complexity of post independence foreign policy decision making and the influence of the post colonial narrative during the Cold War In this study Charles Asante argues that the significance and continuity of Nkrumah s legacy is often attributed to his pan Africanist leadership on the African continent fervently articulating an independent African foreign policy Leaders like Nkrumah considered themselves as the redeemers of Africa s political and economic vulnerability from its colonial experiences Asante finds that in contrast to the positive experience associated with his independence movement for Ghana Nkrumah could not build the same kind of vision engagement and networks among other African nationalist leaders necessary for successful promotion of a Pan African

region Despite Nkrumah's own foreign policy failures in the Congo the United States of Africa project and his sudden overthrow in 1966 Nkrumah's Pan African vision is still promoted as an important foreign policy objective by Ghana's politicians public servants military and academics

Financial Inclusion and Digital Transformation Regulatory Practices in Selected SADC Countries Howard Chitimira,Tapiwa Victor Warikandwa,2023-03-28 This book investigates the regulation and promotion of financial inclusion and provides a comparative analysis of the regulation promotion and enforcement of the relevant laws in the SADC in particular South Africa Namibia Botswana and Zimbabwe as well as the challenges of financial inclusion In turn it evaluates financial inclusion in the context of specific challenges faced by unbanked and underbanked customers who are easy targets for cyber criminals because they tend to have lower levels of digital literacy The book presents novel discussions that identify the challenges and flaws associated with the enforcement of financial inclusion laws and related measures intended to promote financial inclusion in the SADC region This is primarily done in order to reveal the current strengths and weaknesses of financial inclusion laws in relation to certain aspects of the companies securities and financial markets in the region For example there is no common financial inclusion instrument law that is effectively and uniformly applied throughout the SADC This has impeded the enforcement authorities efforts to effectively combat financial exclusion across the region The book is likely the most comprehensive study to date on the regulation and promotion of financial inclusion in the SADC region and fills a major gap in SADC and African legal jurisprudence As such it offers a valuable asset for policymakers attorneys bankers securities share holders and other market participants who deal with financial inclusion as well as undergraduate and graduate students interested in the topic

Regulating and Combating Money Laundering and Terrorist Financing Nkechikwu Azinge-Egbiri, 2021-03-01 This book analytically reviews the impact of the global anti money laundering and counter terrorist financing AML CFT framework on the compliance trajectory of a number of jurisdictions to this framework The work begins by examining the international

financial sector reform and its evolution to inculcate the global framework for AML CFT regulations It challenges the resulting uniform AML CFT due to its paradoxical impact on the compliance trajectory of African countries and emerging economies ACs EEs This is done through an examination of the pre conditions for effective regulation and compliance drivers for ACs EEs that reveals the behavioural impact of the AML CFT standards on the bloc of countries Through the application of agency theory it explores the relationship between ACs EEs on the one hand and the international financial institutions that formulate disseminate and facilitate compliance with the global framework for AML CFT standards on the other The remaining chapters review empirically the compliance pressures and resulting compliance trajectory of ACs EEs with the AML CFT standards The final part of the book provides a detailed explanation of the compliance challenges of ACs EEs and the legitimacy concerns that facilitate this This book offers a new direction on the impact of global AML CFT standards on ACs EEs and contributes to the understanding of the conditions under which the global standards are likely to facilitate proactive compliance within these blocs of countries As such it will be a valuable resource for academics researchers and policy makers working in this area

Food Jennifer Clapp, 2020-04-20 We all need food to survive and forty percent of the world's population relies on agriculture for their livelihood Yet control over food is concentrated in relatively few hands Turmoil in the world food economy in recent decades has highlighted a number of vulnerabilities and contradictions inherent in the way we currently organize this vital sector Extremes of both undernourishment and overnourishment affect a significant proportion of humanity And attempts to increase production through the spread of an industrial model of agriculture has resulted in serious ecological consequences The fully revised and expanded third edition of this popular book explores how the rise of industrial agriculture corporate control inequitable agricultural trade rules and the financialization of food have each enabled powerful actors to gain fundamental influence over the practices that dominate the world food economy and result in uneven consequences for both people and planet A variety of movements have emerged that are making important progress in establishing alternative food systems but as Clapp's penetrating analysis ably shows significant challenges remain

Metrics Vincanne Adams, 2016-03-05 This volume's contributors evaluate the accomplishments limits and consequences of using quantitative metrics in global health Whether analyzing maternal mortality rates the relationships between political goals and metrics data or the links between health outcomes and a program's fiscal support the contributors question the ability of metrics to solve global health problems They capture a moment when global health scholars and practitioners must evaluate the potential effectiveness and pitfalls of different metrics even as they remain elusive and problematic Contributors Vincanne Adams Susan Erikson Molly Hales Pierre Minn Adeola Oni Orisan Carolyn Smith Morris Marlee Tichenor Lily Walkover Claire L Wendland
